From the Administrator

Just a reminder, in our March newsletter, we put out a request for e-mail addresses to families and responsible parties. The purpose of collecting addresses will be to provide us with yet another way of communicating the exciting happenings and helpful information of our neighborhoods.

Once again our dedicated staff will be recognized for their outstanding service. We recently received an exciting announcement from the American Association of Nurse Assessment Coordinators that the program at Pleasant View Home had been chosen for the Best Practice Award of the Year. Joanna Oswald, RN and Marilyn Stufflebean, RN, will be honored at the national convention, in Atlanta, Georgia, this April. Kim Brumley, Social Worker, along with other health care professionals contribute valuable information for the assessment process.

In addition we are looking forward to our annual Spring KAHSA (Kansas Association of Homes and Services for the Aging) Conference in May, where our very own Kevin Reimer will be honored with the Excellence in Leadership Award. This is really an outstanding honor. Our excitement does not end there as we also learned that our Health Support Specialist Program through the Registered Apprentice Program will receive the Workforce Excellence Award for 2011. Judy Miller played an intricate part in setting up this wonderful program for a multi-faceted learning experience for our staff.

Heritage Inn

"Keep your faith in all beautiful things; in the sun when it is hidden, in the Spring when it is gone."

Another month has passed us by, and we sure wish the weather would make up its mind. We sure are hoping that spring weather will fast approach.

In March we said goodbye to Aileen Lawson & Genevieve Gray, they went to be with our heavenly father. We will miss them both so much. On April 7th we will be having a memorial service at 2:15 in Heritage Inn dining room in their memory.

We celebrated 2 birthdays in March, Gina Tindale & Dorothy Chancellor, they sure did enjoy their special days. We also welcomed Leo Schmidt & Marion Wichert, we are so glad that they are a part of our family.

The ladies enjoyed their facials with Loretta, they all shared stories and our friends from the other neighborhoods

came and joined us. We can never have to much pampering. We also enjoyed

making some scrumptious dessert with girl scout thin mints, it was so simple to make, and was oh so yummy. We had several winners when we played bingo, some of our elders wanted to try three cards at a time however then decided two would be better, they wanted that bingo prize.

For our monthly breakfast outing we took the scenic route, and enjoyed a lovely breakfast

at Carriage Crossing with our neighborhood friends. We were able to go outside and enjoy the

beautiful weather, for the St. Patrick's day balloon release, everyone enjoyed watching the balloons going up in the air, everyone guessed how far they would go, some said clear to another state, some

said McPherson or Hutchinson. We will be rescheduling our trip to Exploration Place, due to the bus being in the shop for repair, however we were able to go out to lunch at the Mustard Seed in Buhler, we really enjoyed going there such a relaxing atmosphere & the food is always sure to please. Be sure and check your calendars for upcoming outings & activities, on April 22, we have planned our annual trip to Stutzman's & Dutch Kitchen, if you would like to join your loved one please call or email me, we are also going to Lakeside Park for a picnic & to feed the ducks. April is sure to month full of laughter and fun. We want to say a special thank you to all of our Volunteers this month, we will be having a special Volunteer Luncheon on April 15th.

~Wishing Everyone A Happy Easter~

Estates Happenings

ESTATE RESIDENTS: would you like the opportunity to enjoy a nutritious noon meal and fellowship with your friends and neighbors at the same time????? Pleasant View Dietary Department has recently begun serving the noon meal buffet style in the Coffee Shop Monday through Friday!!!! You can choose from two meats, two vegetables and also enjoy salad, bread and dessert. All of this and an opportunity to fellowship with your neighbors. You can take advantage of this for the same \$5.00 that you pay for having your meal delivered to your apartment and the cost can still be added to your monthly bill. If this is something you would like to do on certain days when the menu really appeals to you or if you would want to do it every day, call Cyndi or the Home Health Office before 9:30 on the morning you want to eat and we will make arrangements for you in the kitchen. Join us for the fun, food and fellowship.

APRIL.....Religious Month

or Spiritual Month ?

We are entering upon a very important time of the year. For some it is tax season with pressures of various degrees, for others it means a holiday in the workplace, for the "religious" it encompasses customs and rituals in one's belief or persuasion. This may include the wearing of prescribed clothing or garments, forfeiting or giving up certain foods or pleasures, or it may include the use of speaking reverently. Attending meetings and/or giving special gifts may increase one's personal satisfaction and peace.

For the devout Christian Believer this is a special month of reflecting on the sacrificial death of Jesus Christ and the resurrection that followed. It becomes a very personal event if and when the individual appropriates the sacrifice that Jesus Christ made on the cross of Calvary. A substitution of Christ's death for our peace. It's made, it's free and it's available. The PVH Chaplain is available to answer questions, to pray with or for you, if requested. Telephone cell 620-755-4785, or Ext. 132 at PVH.

Down Under in the Plaza!

What is with the old saying...March comes in like a lion and out like a lamb?? I believe that it backwards this year. It is very chilly, coat weather today and it just snowed the other day. The snow didn't stick but sure came down all day in really big pretty flakes. This chilly weather put a damper on our outings, but come what may Spring has sprung and it will soon be nice out and eventually the good ole' hot Kansas and we will be begging for the snow again! In March we went out on our monthly breakfast, but this time we went to Carriage Crossing in Yoder. Some folks on Cottonwood and Heritage Inn joined us. St. Patty's day the neighborhood just beamed with green, it was bright and cheery. We were supposed to go to

Exploration Place on the 25th, but the bus needed to have some repairs, so we have postponed that trip for summer, it will give us a nice place to visit that is indoors when it is so hot outside. The 31st we are heading to the Eisenhower Museum in Abilene, it is a lengthy drive but worth it. In April we are not too sure what bus trips we are planning, we do have the bus scheduled many times, the one thing that I know is we are going out for our monthly breakfast run! Some other trips that will be in the months to come also are Stutzman's, Dutch Kitchen, All School's day and many more!!

Walnut Court News!

It's hard to believe that we are already into April. The months just seem to fly by quicker. We have had some nice days in March. We were able to get out and enjoy the weather playing Bocce Ball. We really en-

joyed that, minus the Kansas wind. Alice' daughter Ruby came out and helped us

celebrate St. Patrick's Day. Ruby made green soda bread for all the residents and helped them all

make crafts. We all also got out and enjoyed a day of shopping. Judy Froese, Katherine Penners daughter would like to thank everyone for the care we gave her mother by presenting Walnut Court with a Memorial check. Katherine went to her home in Heaven on February 24th 2011.

Thank you Judy for making new name tags for the tables. The residents really enjoy looking at them. Sarah Godbey brought in new flags for spring. Thank you!

Lavada Otis went to see the Lord on March 27th, 2011.

Mildred Boughman has moved to hospice house. Our residents will be greatly missed!

We have several exciting trips planned for April. We are planning

on going to Hudson Ks and touring the Flour Mill. After we are finished touring, they will open their little restaurant to cater lunch to the residents.

.We would also like to welcome the newest member of our family, Judy Burdett. Judy enjoys singing, and watching movies. She loves to get involved and help with anything that she can. Her most favorite thing is coffee. Welcome Judy.

We would like to welcome the newest member of our team Chelsea Davis. Be sure to stop by and welcome her!

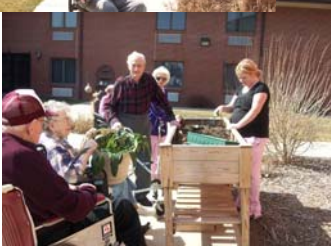

Thank you Mia Harmon for helping me with the typing of the newsletter!

We are planning our annual trip to Stutzman's Greenhouse in April.

Chef Chris is being recognized (better late than never) for the very special meal that he prepared for the Tradition Home residents on Valentine's Day. The residents noted in their nomination that Chef Chris was very outgoing and efficient, as well as being very patient with everyone!! They said the meal was delicious and such a wonderful treat!

Gail Wiens, Maintenance, is being recognized for all of his help with planning, set up and generally making sure things ran without a hitch at the funeral of a resident that was held in the PVH Chapel. His quick thinking and willingness to make last minute changes and adjustments were much appreciated by family and staff as well.

Menno Loepp is a wonderful volunteer who has very willingly performed many memorial services in Neighborhoods for residents and families. He does such a wonderful job and it is appreciated by families, staff and residents.

Dementia Umbrella

Dementia is a term for symptoms associated with irreversible progressive illnesses which affect the brain. Dementia is not a disease, it is a cluster of symptoms and must have a cause. Some of the diseases that fall under the Dementia Umbrella are: Alzheimer's Disease, Vascular Dementia, Mixed Dementia (combination of Alzheimer's and Vascular Dementia), Mild Cognitive Impairment, Dementia with Lewy Bodies, Parkinson's Disease, Frontotemporal Dementia (Pick's Disease), Creutzfeldt-Jakob Disease, Normal Pressure Hydrocephalus, Huntington's Disease, Wernicke-Korsakoff Syndrome. As more research is done more disease are being added to the list. It is very important when someone is given a diagnosis of Dementia to ask what is causing it as there can be different drugs that react differently depending on which disease it is, as well as a difference in symptomology and process. Each person's journey with a Dementia type disease is very unique and there are no two people who will go through it the same way with the same results.
