July 2011

From the Administrator

There are a lot of exciting changes taking place at Pleasant View Home. As an organization, we have recognized the importance of creating a culture of wellness throughout our campus. Our wellness committee, STAGE has been instrumental in setting up wellness programs that include fitness, stress relief, and nutrition, with education, wellness fairs, biometric screenings and awareness activities. To take this another step, and provide us with professional expertise in this area, we recently hired Ashley Miller, who has a bachelors of science degree in Exercise Science to provide us with leadership. Currently, Ashley can help you with personal fitness questions and programs, Monday through Friday, in the Activity Center.

In addition, we are looking forward to getting acquainted with our new Human Relations Director, Karen Bell. As an organization we have not enjoyed the benefits and expertise of a Human Relations professional in the past. As we have watched our work force grow and as we recognize that there are many complicated details associated with employment and benefits, we found that it was time to consider an individual with expertise. Karen brings a great deal of experience and education to this position and we are sure the staff will benefit from her support. Karen will have an office in the business office section.

We will not have an Employee of the Month noted in this newsletter due to a change in our 2011 Employee of the Month program.

“One Flag, One Land, One Heart, One Hand, One Nation Evermore!”

June was a month of many fun outings and activities. We can't believe that July is almost here. WE had our monthly spelling bee and Mary Lutes was our 1st place winner, congratulations Mary. We ventured over to the Botanical Gardens in Wichita, it was so beautiful everyone enjoyed seeing the beautiful flower's and landscaping the weather was just right!! We then traveled over to the Hutchinson Salt Mine, on the 8th due to the HOT temperature's we thought we would go where it was cooler, 650 ft. down and it sure was nice & cool. We went on the train ride & we were able to see all of the memorabilia, and then we were able to go on the dark ride, it was really fascinating to hear about the

miners & how they mine. We enjoyed are satin hands with Loretta, I want to say thank you to Karen Cline, for donating all of the lovely products from Mary Kay, we sure

enjoy using them. We traveled over to Abilene on the 10th however the train was full, so all of the

elder's decided we should go to Rolling Hills Zoo, the day was perfect for this we rode on the tram, and got to see all of the animals. The camels weren't out so I decided to call

for them, and out they came, everyone enjoyed our delightful trip. Our father's were treated to a special morning of scrumptious doughnuts & coffee, our friends from Plaza came over to join us, we

shared some poetry and word games & then in the afternoon we went over to visit Plaza and enjoyed banana splits, & great conversation. A.B.A.T.E came on the 18th of June, for their Annual Run For The Elder's; what a won-

derful time our elder's had, many of our elder's were able to go for rides, they were smiling from ear to ear. One of our elder's who is 96 stated "I have never rode on a motorcycle, this shows that you are never to old to do anything."

We had our annual PVH carnival, and what a fun time was had by all, playing games, and seeing clowns. Dorothy Chancellor had a blast shopping on our Goodwill Hunting trip, their were lots of fun clothes & hats to try on. We can't wait to go back. We have really enjoyed having the Jr. Volunteers here, all of them truly make a difference!! In July we have lots of fun outings & activities

planned as well, we will be going to Quilts on the Prairie, quilt show in Hutchinson on the 29th. Be sure & check your calendar's for more activities & outings, if you would like to join your loved one please call or email me.

~Have A Safe & Happy 4th Of July~

COTTONWOOD CORNER NOVES

Cottonwood jumped right in to hot June and headed for Rolling Hills Zoo North of Salina. It was a PERFECT day and here Alberta is on the tram as we traveled around the acre-age. Next is

was off to Lindsborg to visit where they make the wooden "Dala" horses.

At The Hemslojd we had an excellent talk and demonstration that the above ladies are listening to. We then browsed around the gift shop.

Due to inclement weather in May

we pushed the PVH carnival into June.

It was windy but cool enough to enjoy! The clown found Arlene and Evelyn is enjoying popcorn at the carnival. Off to the Hutch

Mall we went and low and behold Laura had a surprise visitor! Her niece walked in and saw us at the food court. What a fun visit they had! To round out June, I had help snipping beans and boy did we

make fast work of 20 lbs. of beans! Thank you CC friends!

What's Happening in IVY Grove?

Wow we had so much fun this month. It is so hard to choose pictures. When you come to visit, please look in our memory albums in the living room. We

enjoyed a trip to Goodwill. Erma is doing some shopping while spouse,

Cotton gets rested to carry the bags. If you don't know how to play SKUNK please come join us for a game and we will show you. Grace and

Jama had fun. Thankfully Jr. volunteers helped to chase the dice down. We celebrated birthdays with Belva, Oleta, Esther, Jama and Dave this June. Esther and

Dave are here eating some yummy ice cream. Here is Ralph taking advantage of some

weather. He is playing tug a war with Misdemeanor. In May our PVH Carnival was cancelled due to some rain. So we had it this June 17 in-

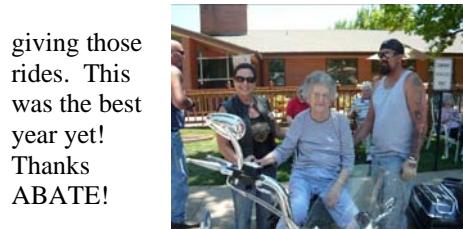

stead. Lots of laughter, balloons, games, prizes and smiles. It was

perfect weather for ABATE Motorcycle Poker run. Several of our elders also

thought so because they wanted rides. The club had just as much fun as our residents

giving those rides. This was the best year yet! Thanks ABATE!

HEARTS THAT ARE BIG-CARING-LOVING- FOUND AT PLEASANT VIEW HOME INMAN, KS

When it comes to caring, we are the best, when it comes to loving, no one shows it like our staff at Pleasant View. We have two staff employees that proved this, just by looking out a window. A house-keeper looked out a window she was cleaning, saw a cat with this baby duck in its mouth. She took out and around the building, threw her gloves, shouted let go! let go! The cat dropped the duck. Lucy picked up the duck, cuddled it, calmed it down and brought the baby duck inside. We were wondering what we were going to do with our little baby. Another staff employee offered to take it home. Since then Cindy has been feeding and pampering the baby. Cindy has brought the baby in to visit with us and the Residents. We share the story with our Residents because the expression and smile on their faces is such a delight. Our Lucy Smalling and Cindy Schierling, very caring and loving ladies, show compassion to all our Residents, if nothing but a big smile or hug. Lucy has named the little ducky, Ahallie. She searched to find correct name that would suit our baby. Just remember when you need loving care, you can always find it at Pleasant View Home in Inman, Ks. We care for all of God's Creations.

Bill of Rights of Pleasant View Home

These rights were signed by the residents of Pleasant View Home or the residents DPOA. If at anytime the resident or DPOA need to discuss them, we ask that you speak to the Social Service Designee here at Pleasant View Home. This year we have 33 Bill of Rights to review: These are read and discussed at the resident council meeting the first of each month.

14. The Resident has a right to voice grievances with respect to treatment or care that fails to be furnished without discrimination or reprisal for voicing grievances.
15. The Resident has a right to prompt efforts by the Facility to resolve grievances including those with respect to the behavior of other Residents.

Celebrating 90 Years

Friday, June 24th was a very busy day for many in the Koffe Haus at PVH. The family of Chaplain Dan Dalke came to prepare, set up, and serve a reception for their father's 90th birthday. The celebration went on and on throughout the weekend. On Monday the family disassembled and scattered to Ohio,, Colorado, Washington State and many parts of Kansas. They also wish to thank the residents and staff of Pleasant View Estates for all the kindness and grace extended to them and to their father at this happy time of celebration.

Down Under in the Plaza!

Oh the heat is upon us now in Kansas. We have had some record heat days and have stayed indoors with the a/c. In June we had several outings scheduled, we started off going to

Botanical gardens in Wichita. This was a new experience for us, beautiful there, under some instances we cut our visit and grab a lunch at old's on the home. Overall we did have fun that day. The next week was booked with two outings, we ended up going to the Salt museum instead of Dillon Nature, it was very hot that day. The 68 degrees underground felt very nice to us until he had to come top side again. On the Friday we headed out to Abilene along with Ivy Grove, Cottonwood and Heritage to grab the train in Abilene...needless to say we missed that boat too. We were not there quite on time to get on board so just

we decided for such a beautiful day we headed west and went to the Rolling Hills Zoo. The weather was perfect, we had just a slight cloud cover and a nice breeze that day. We picnicked in the outside area at the zoo then headed in and caught the tram for a guided tour. Monday the 13th we again headed to Hutchinson this time and went to Goodwill and out for a bite to eat at Bogeys. We had our annual carnival on June 17th, we had to postpone from May due to weather. It was nice except it was a little windier than we wanted, we had to accommodate some of our

games, but the turn out was awesome, so many residents came and had so much fun. Of course we brated our ther's in the 16th we together Heritage am for and do then we out banana splits that afternoon with the ice cream machine. They got their tummies full, I

cele-Fa-June, got with in the coffee nuts and served out banana splits that afternoon with the ice cream machine. They got their tummies full, I always heard a way to a man's heart is

his stomach...??? We ended the month with some more outings, we headed to the Hutch zoo, it was under construction so some exhibits were closed, and then to Freddie's, we went to the motorcycle museum and to the Valley café and finally just a quick trip to bo-geys the July many things store your in too, just check out your calendars. We also sadly said goodbye to Wayne K in June, it was very sudden and we will miss him very much.

Walnut Court News!

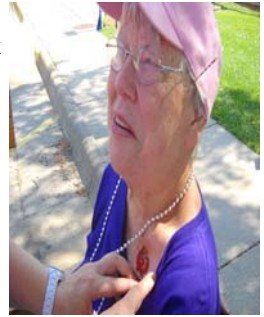

Hello to everybody from Walnut Court we have been doing a lot of things this summer. We have been going to the Li-brary every other week. The Junior vol-unteers have been helping us out with some of our ac-tivities, they are a big help to us. We went to Harvest house and did Red Hats with them.. Sandy Bundy and Lois Weins, shared some of their paint-ings with us. It was very inter-esting . Mary has been busy in her garden, she got her first cabbage and everybody is so proud of her . We had our monthly Resident coun-cil and decided to start having Bible study with Odena as the teacher on Wednesday at 10:30 to 11am . Erma Jane will come and play the

We had our monthly Resident coun-cil and decided to start having Bible study with Odena as the teacher on Wednesday at 10:30 to 11am . Erma Jane will come and play the

piano, we are very excited. We would like to thank the junior volunteers for helping us by pulling weeds out of our garden . We enjoyed the carnival , we all had fun getting a tatoo. We celebrated Father's day by giving David a Big Fathers day card. We would like to wel-come Edna Plett to our home, we hope she enjoys being here as much we enjoy her. We had lunch outside the day of the carnival that was a real treat because the weather was nice If there is any body that knows of some nice places to visit just let us know . We are going to senior center 2xs a month staring in July so stop by and see us there.

Harvest House Happenings!

We finished out the month of May with Red Hats. Artist Sandy Bundy brought several of her paintings to share with the ladies.

Lois Wiens joined Sandy and helped pass the pictures around so everyone could get a good look. Dessert and game playing

were also enjoyed by the group. Don brought cake for Ila to share with the household on her birthday. Ila also

shared her beautiful roses with all the household. We celebrated Fathers Day with Roy, August and George on with their choice of KC strips cooked on the grill or chicken fried steaks and all the trimmings. Sara Voth was resident of the month sharing many of her favorite things.

Chef Chris held a tasting in our household and invited other neighborhoods to join us in tasting some new and delicious food. We all enjoyed

watching Chris prepare the food with the best part being the tasting of all his

creations. The dishes that got the most votes may be added to our menu in the near future. Our ladies snapped fresh

green beans for lunch with the help of Jr. Volunteer Jessica.

Smiles all around when the ABATE motorcycle club rolled in to town for a visit. A few of the

ladies rode the cycles while others chose to just sit or stand by one.

We also took trips to Wal-Mart & lunch at Golden Dragon, Farmers Market &

Village Inn, Anchor Inn and the Inman Library. We still have one more trip planned for the 30th and that is a

trip to Abilene for the train ride. We also got together with Walnut Court for an evening out on the patio for homemade ice cream and fellowship.

HAVE A SAFE & FUN JULY!!!!

Sandi Patterson, RN, and the elders in Cottonwood Corner Neighborhood, would like to nominate **Liz Spainhour, Lexlee Schafer, Cassie Crane and Brooke Spice** for going Above & Beyond for them. When the bath aid called in sick on the weekend these ladies did not want elders to go without so they stepped up on evening shift and worked together between Ivy Grove and Cottonwood Corner to make sure that everyone was taken care of and bathed that wanted to be. The teamwork of these ladies and

teamwork between Neighborhoods was greatly appreciated by elders and other staff. This is a true example of Resident Centered Care and what it means at Pleasant View Home. Thank you to each of these ladies and keep up the good work!

Deneise Simon, Cottonwood Corner, was also nominated by an elder family member for her help and kindness with an elder who was coming in from outside and needed some extra assistance. The elder was not from her Neighborhood but it didn't matter because they needed some help and she jumped right in with a pleasant attitude.

Dehydration:

Dehydration is a major health problem especially in the summer. The signs and symptoms can be identical to senile dementia. If a person suffers from a dementia illness it can cause them to be agitated, disoriented and more confused. It is one of the most frequent causes of hospitalization after age 65.

Symptoms can be fatigue, weakness or muscle cramps, nausea, dizziness and deep rapid breathing. Less common symptoms can be decreased urine output or decreased tears. If symptoms persist for 2-3 days call the doctor.

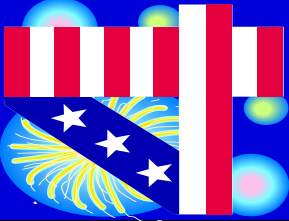

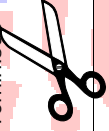

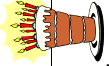

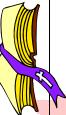

Often seniors have a reduced sense of thirst so picking foods with a higher water content is important. Examples are: apples, applesauce, raw avocados, broccoli, raw cabbage, cantaloupe and cucumbers just to name a few.

Sometimes Gatorade or pedialyte is good to replenish the body with electrolytes.
