August 2011

From the Administrator

We have been anxiously waiting since May 17, the date of our PEAK inspection, as to whether our facility won a 2011 PEAK award from the Kansas Department on Aging. The news finally arrived this week, that yes indeed, we did win! So, a big congratulation is in order to all of the staff at Pleasant View Home as they are honored for the way they provide care in a person centered model. The PEAK evaluation includes our efforts in creating a home like environment, providing choices to the elders, empowering the staff to carry out the wishes of the elders and promoting community involvement. There are over 300 nursing facilities in Kansas and 7 facilities will receive this honor this year.

makes a new friend.

Life is like an onion: You peel it off one layer at a time, and sometimes you weep.

Heritage Inn

The month of July sure flew by, we have been praying for some much needed rain, and just a little cooler temperatures. We were very busy in Heritage this month with outings and activities.

We said good-bye to Evelyn Mott, she went to be with our Heavenly Father, June 29, 2011. Evelyn will be greatly missed.

We also celebrated two birthdays, Rex Buell and Marilyn Wyatt. We had delicious Ice cream sundaes. We traveled over to Perkins on the 1st for a delicious breakfast, everyone enjoyed getting out and we were blessed with a beautiful morning. We had so much fun, making pigs in the blanket, the best part was rolling them up, and then of course eating them. Our ladies tea was wonderful, all

of the ladies had a delightful time, laughing and reminiscing. Loretta Jarvis came to visit and the ladies got summer facials, this was very relaxing. Our friends from Plaza And Ivy Grove visited as well, we always look forward to our special day of pampering with Loretta. We had a visit from a group of teenagers known as the Ulster Project, they are from Ireland. We listened as they shared about their culture and the

difference's between Kansas & Ireland, they also sang and shared about their faith, families & hobbies. We were scheduled to go to the Cosmosphere today, the 27th. Due to the extreme heat we had to cancel. We will be rescheduling. Please be sure and check your August calendar for many fun activities & outings. We want to say thank you, to the Jr. Volunteers, you truly make a difference for the elder's here at PVH, we will miss you as you head back to school. Wishing everyone a blessed month ahead.

~God Bless~

COTTONWOOD CORNER NOTES

Are we the only ones that are hot this year??? Temperatures continue to soar but that hasn't stopped us from enjoying the summer. Ed Swanson had the best July ever with his daughter Ginger and her family visiting him! First time he laid eyes on his beautiful great granddaughter. Thanks for coming

from CO and CA! PVH had the best treat ever! We were privileged to host teens from Ireland who were here with the Ulster Project. They spent a morning with us

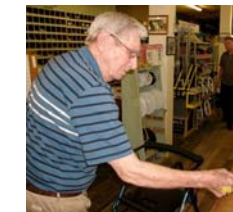

talking, singing, playing games and answering questions. Paul & Irene are listening close to their accent as they visit! Then it was

on to playing "Penny Ante" and

Edna shares her card with the group. It was time for a "Men only" day and so we headed to Yoder and spent time browsing in the old

Hardware store. As George checked out the drawers Kenny

looked at the merchandise in the aisles. What great memories we talked about as we saw a lot of antiques! We topped off the day with lunch at the "Bull's Eye" in Yoder.

Becky
Burkholder, SSD/AD

What's Happening in IVY Grove?

Remember when you were young and there were no video games, only 3 channels to watch on TV and you played outside all day? The girls had to play girlie games and the boys got to play some-

something as fun as a sling shot. Our ladies

here wanted to and they got to. Edna, Charlotte and Shirley had a great time trying to beat some of our guys here. We have been staying in more due to the heat. We tapped into their artistic side and made some beautiful butterflies to

hang in their windows. IG bath aide, Salina helped with this project. Thanks Salina! Ed

here is enjoying the company of one of our jr volunteers. Angie, Unit Coordinator for IG, brings her son, Roy, in to visit occasionally. I think it is a treat

for both Ed and Roy. We

went to the Cosmosphere in Hutchinson and boy is that place huge! We almost got lost in there. Helen is sitting in a B52 bomber ejection

seat. How cool is that. Lots of neat history and well worth

going. Men's Koffee Klub is every Tuesday at 3:00pm with Dan

Dalke. You guys are more than

welcome to come join the group. Sorry ladies, just for guys. but ladies do feel free to check your calendars and join us for other activities.

Michele Watson, SSD/AD

Home Health News!

Greetings from Home Health. Just a brief note to tell you about our home health services. Help from our home health staff is just a phone call away.

- A registered nurse is available for medication set up and health monitoring.
 - A certified home health aide is available to assist with daily medication reminders and bathing assistance, either a shower in your apartment or a whirlpool bath using the nursing home facilities.
 - Home health staff can also assist with housekeeping and laundry.
 - With a little preparation time we can also assist you with companion care, grocery shopping and rides to the doctor.
 - Cutting toenails and fingernails
 - Rides to the Senior Center for the noon meal Tuesday through Friday.
 - Other services can be provided as the need arises. We are willing to work with you to help you get the services you need. Call 620-585-6811 for more information.
- We also deliver the noon meals to the residents in the Estates who have ordered one and help serve the noon buffet meal in the coffee shop.

Bingo is Monday and Thursday afternoons from 3:00 to 4:00 in the activity room.

REMINDER

Independent Living and East View Villa residents are reminded that when the electricity goes out you are always welcome to go to any of the following areas. These areas have generators and you will have light, air conditioning and heat (when needed). You are welcome to go to The Chapel/Activity Center area, the Main Office lobby, The Main Dining Room in the Nursing Facility, Harvest House or Walnut Court neighborhood in the Nursing Facility, or the Heritage Inn Dining Room in the Nursing Facility.

Stay Cool,

Cyndi Ratzlaff

Bill of Rights of Pleasant View Home

16. The Resident has a right to examine the results of the most recent survey of the Facility conducted by Federal and State surveyors and any plan of correction in effect with respect to the Facility.
17. The Resident has a right to receive information from agencies acting as client advocates and be afforded the opportunity to contact the agencies.
18. The Resident has a right to refuse to perform services for the Facility.

Centenarian Wins!!

Centenarian George Becker (on his 100th birthday) receives congratulations from Pleasant View Home CEO Kevin Reimer for his win over 90 yr old Chaplain Dan Dalke in their long awaited pool match. Both had been looking forward to this challenge. Becker no longer plays in tournaments but still plays daily and wins

a majority of his games. He is appreciated by his fellow pool players and is loved by all.

George Becker was 12 years old when his mother immigrated to America with six small children. With four boys and two girls she came from Russia and settled in the Inman area. Being sponsored by Mennonite families from the Inman area Mrs. Becker brought her family here and George has remained a life-long resident of this community. A large group of family and friends came to Pleasant View Estates on Friday and Saturday to celebrate his 100th anniversary and to wish him well.

Down Under in the Plaza!

Hello all...we are definitely ready for some cooler weather. This has been the hottest summer I ever remember, but some of our older folks remember some hot ones when they were young. We didn't let the heat keep us from too many of our outings in July. We went out for lunch on the

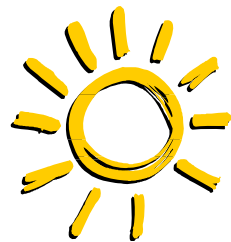

13th, then Mavis and I went to Dollar tree in Newton with a couple from Heritage Inn. We did end up canceling the Cosmosphere trip, the forecast was 110 for that day, that is just too hot to go out in, especially for our elders. The quilt show and lunch is planned for Friday and the forecast as I write this is much cooler and possibly some rain, very much needed by our farmers. We stayed really busy and kept our junior volunteers busy as well. We had their help with bingo and other in house activities. It wasn't on the calendar but we had some very special guest from Ireland visits us. A small group of about 8 teenagers were visiting and staying with American families for only a month. They had many things to tell us about their country and answered our questions that we had very well. One young gentleman sang their anthem and a couple of the girls danced an Irish jig for us. These kids were part of the Ulster program and had the experience of a lifetime for them. In August we are praying for

some cooler weather, we will see if that happens! I will be gone from the office Aug 3rd- Aug 15th, if you have any questions please contact my supervisor Kim Brumley here at PVH. We have some outings scheduled for the latter part of August, I am hoping that it will be starting to cool off for us. Also this past month we sadly had to say good bye to two of our elders, Wayne K and Mac M. Mac's family was so gracious and left a memorial to Plaza to fix up the staff bathroom, we want to thank them so much for their kindness. We did get to welcome two new members to our family, Rosemary L and

welcome them with open arms to Plaza. Stay hydrated and cool this summer!

Debbie James, SSD/ AD
debbie@pleasantviewhome.com

Walnut Court News!

It has been a busy month for the ladies of Walnut Court. We have been on many exciting and memorable trips and did a lot of new things. July was our first month of Bible Study. Pastor Dan & Erma Jane have been working together along with our own Odena Hostetler to organize the class with supplies and music.

Going to the Senior Center twice a month was also a BIG Hit as most everyone went. Yum!

We have added a little pizzazz to the Court's exercise class! Dancing to the music while stretching and toning is a welcome change! Enjoying a rootbeer float afterward is even better.

We enjoyed a trip to Walmart to shop and then to the Chinese restaurant to eat. Sharing a lot of stories of the good old days when we were young is ever sooo interesting!

A heartfelt welcome goes to Lydia Ediger from the staff and residents of Walnut Court.

Earlier this month the Court entertained guests all the way from Ireland. It was very interesting to talk and find out the differences and similarities of the two cultures.

We would like to say good-bye to our dear friend David Whitermore. He has went to be with his Lord and Savior. David will be truly missed by all!

Barb Allan SSD/AD
barb@pleasantviewhome.com

Harvest House Happenings!

Boy it's chilly in Harvest House!! Cuz we have the coolest residents and staff!!

In July we enjoyed getting the Dog Days of Summer off with a BANG!! Some of the staff brought in their dogs to visit the residents. Of course Sophie visited too!! Sophie is the grand dog of

Johnie Wilke. On the 4th of July we enjoyed shooting off fireworks!! On the 6th we celebrated Johnie's birthday with ice cream and cake.

We celebrated Caribbean Days with a Caribbean lunch of Ham with Pineapples, fruit smoothies and Caribbean trivia.

The residents really enjoyed the festivities!! We had a young lady from Northern Ireland,

Claire Murphy, visit us and share some of her culture and differences of America and Ireland with us. We enjoyed having an ice cream social with

Walnut Court. Lydia and Sara had a good time

catching up! We also went to the Inman Senior Center for lunch several times this month. It's amazing how many people we knew and the homemade breads were awesome!!

We went to the Dollar Tree in Newton and ran into Jacci's husband, so he got to enjoy our company for lunch. Lucky guy! Bertha's daughter-in-law Becky also joined us.

Thanks goes to Missy and Jessica for the newsletter and calendar this month. Stop in, our doors are always open!!!!

Jacci, SSD/AD
jacci@pleasantviewhome.com

Resident Hubertine Schultz was nominated by Kelly Finley for volunteering to read devotions to other residents on a day when staff was unable to do this. It was much appreciated by staff and residents. Beth Heidari was nominated for her willingness to stay over onto second shift to help with readmission of a resident returning from the hospital at shift change. Family member Karen Cline would like to acknowledge Jan O'Brien who works in The Plaza for the special care she provides for her loved one. Thank you ladies for going Above and Beyond!!

As August begins we would like to take a chance to say a big "Thank You" to all of the Junior Volunteers who have spent time with us this summer at Pleasant View Home. We will show our appreciation with a pizza party at Main Street Pizza on August 5th with some good food, some pictures and something to remember us by as well! We have had about 30 kids again this year and it has been a great joy to see the relationships build between elders and kids, and especially those that continue throughout the year. With kids from six different schools it is not only a learning experience to be around the elders, but also to interact with kids that they do not know. What a great group of young people!

Alzheimer's Diagnostic Criteria Released

New diagnostic criteria and biomarkers for Alzheimer's Disease should help physicians be able to catch the disease earlier and develop therapies faster. The guidelines are new for the first time in over 25 years and looks at identifying three new phases in the disease progression starting even before memory loss appears. The first is "preclinical Alzheimer's Disease" where brain scans and measuring spinal fluid can show changes to any physical change or deterioration. The second is "mild cognitive impairment due to Alzheimer's Disease" in which family and doctors might recognize mild memory and cognitive problems. These are measurable but not yet greatly impacting day to day functioning. The third phase is "dementia due to Alzheimer's Disease" when memory, thinking and behavioral deficiencies become clear. Researchers hope that the new guidelines will help them to see better the process of the disease as well progression both physically and cognitively.
