Pleasant View Home is in Phase 1 of our re-opening plan!!! Phase 1 allows residents to participate in group activities of 10 or fewer while wearing a mask and social distancing. We are also thrilled to inform you Phase 1 allows residents to have 2 visitors at a time either on our front deck or indoors by using a beautifully crafted Plexiglas partition handmade by our maintenance team. In order to accommodate visitors and ensure safety of our residents & staff, all visits will need to be scheduled with our Social Worker, Kelsey Hodges and occur M-F 9AM-4PM by calling 620-585-6411. We thank you for your patience and can't wait to see you!
