Pleasant News

From the Administrator

April showers bring May flowers..... an old saying that we hope rings true. As I write this, there is a kiss of rain in the air and we hope to continue to be blessed with moisture, following our long dry spell.

Our March newsletter featured an article explaining the particulars of our Bed Rail Safety project. We are off and running with systematic evaluation of each neighborhood, and have already experienced some great success in one of our neighborhoods in reducing the use of bed rails and bed mobility devices.

It seems that safety is on our agenda in other areas as well. We will now be assessing all of the power strips that are being used in resident rooms. There is some very specific criteria that must be met. We will be addressing the use of power strips, the type of power strip, whether it meets specifications, and whether there is the use of medical equipment being used in the resident room.

When it comes to tornado safety, we have a drill each year to practice going to our safe areas. We have completed our drill and our residents and staff performed well. With spring weather just around the corner, we want to be sure our folks are ready!

Pleasant View Home must provide you with a written description of your legal rights. Keep the information you receive about your rights, admission and transfer policies, and any other information from Pleasant View Home in case you and/or your representative need to look at them later.

2. Generally

All residents have the right to equal access to quality care regardless of diagnosis, severity of condition, or payment source.

3. Exercise of Rights

You have the right to exercise your rights as a resident of Pleasant View Home and as a citizen of the United States, without fear of interference, coercion, discrimination or reprisal. You and/or your representative have the right to organize or participate in resident and/or family groups. You also have the right to choose a representative, including a spouse (opposite or same sex), family member, friend or others to exercise your rights on your behalf. Legal guardians appointed on your behalf may exercise your rights according to state law. You retain the ability to exercise any rights that you do not delegate to a representative.

4. Planning and Implementing Care

You and/or your representative have the right to be fully informed of your medical condition in a language you can understand, and to participate in your person-centered care planning and treatment, including the type of caregiver who provides services to you. You also have the right to refuse and/or discontinue medications and treatments (but this could be harmful to your health), and to formulate an advanced directive.

5. Choice of Attending Physician

You have the right to choose and see your own doctor.

Tell me this – since we preach that Christ rose from the dead, why are some of you saying there will be no resurrection of the dead? For if there is no resurrection of the dead, then Christ has not been raised either; and if Christ has not been raised, then all our preaching is useless; and your faith is useless.

It is the week preceding Easter, but also of Good Friday, as I write. As wonderful as the birth of the Lord Jesus Christ, equally marvelous is the record of His death and resurrection. Isaiah the prophet reminds us of the importance of Christ's death when he wrote: "He was wounded for our transgressions; He was bruised for our iniquities (53:5);" but the teaching of His suffering would be empty were it not for His resurrection, as we often hear: "He is risen indeed!" Paul the apostle provided profound theology when he wrote: "If we have been united together in the likeness of His death, certainly we also shall be in the likeness of His resurrection (Romans 6:5)." Yet increasingly, atheism is becoming popular. Scientist Dr. Steven Hawking, who recently died, said "there is no heaven or afterlife for broken down computers [humans]; that is a fairy story for people afraid of the dark." Contrast that thought with one from Pastor Timothy Keller, noted author: "If Jesus rose from the dead, then you have to accept all that he said; if he didn't rise from the dead, then why worry about any of what he said? The issue on which everything hangs is not whether or not you like his teaching, but whether or not he rose from the dead." Both the record of the Bible and the record of history attest to the resurrection of the Son of God.

We are always very appreciative of the churches, pastors, lay people, and guest speakers who speak in the Thursday (6:30 P.M.) Chapel Service. Chapel this month will be presented by the Zion Mennonite Church of God in Christ (April 5), by the Inman Mennonite Church (April 12), by Mr. Richard Miller, representing *Men of Grace*, an outreach ministry at Hutchinson Correctional Facility (April 19), and by Bethel Mennonite Church (April 26).

Cottonwood Corner

We've had a lot of fun this month but according to these pictures.....this 3 week old goat gave us the biggest laughs!!

Sue & Katie Krehbiel brought their bottle fed goat in and as you can see, there were all kinds of reactions to the little fellar!

Glennis was a good sport and helped me make Zucchini Bites which weren't bad....The highlight of one week was having a group of "home schoolers" come and give us a wonderful

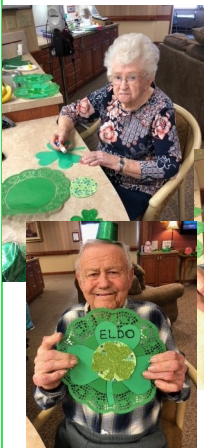

program. Talented kids for sure Here we are making a St. Patricks craft and it was well attended by the ladies. This whole month we did a lot of St. Patricks food and here the ladies are making a Lucky Kiss Mix!

Put on your calendars MAY 3 for joint Backlog at Dutch Kitchen, SSD and Stutzmans for a fun day! RSVP becky@pleasantviewhome.com me if you can come!!

PLAZA

It seems like we experienced all four seasons of weather in the month of March. Spring is here now and we are hoping there are a lot of April Showers to bring the May flowers.

Plaza continues to be in need of an Activity/Social Service designee. If you or someone you know has a special heart for providing quality, life enriching activities for the elderly, give us a call!

As we celebrate Easter we want to remind family and friends how much we enjoy spending time

with you on special occasions and that you are also welcome to visit us any time. We also want to wish you a happy Easter and pray for God's blessing on you during this time of remembering the sacrifice of His Son and the glorious resurrection of Christ our Lord!

al-

ways more fun with family and friends!

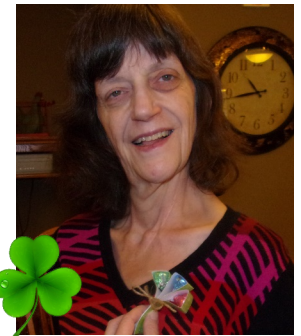

Find the Difference!....that is what Jane, Sarah and Jaclan are doing. It is good friendly competition as they each want to have the answers first. A great way to keep our minds sharp!
Frances and Juanita enjoy the citric smell of this

What does the word INTERGENERATIONAL mean? The definition is where multiple generations of people intermingle or come together. Edna loves having her fingernails painted so young Peyton volunteered her time to spend with Edna. This is a fantastic example of that word. Thanks again Peyton, Hunter and all the young volunteers that help here at PVH. You make a difference!

Della, Pat & Susan show off their Lucky Green Clover

Craft.

While we were making the clovers we had a visit from this baby lamb. He would cuddle and hold

still for a few quick seconds and took a great pictures with Belva & Della.

Have a Blessed and safe Easter!

April 2018 East View Villa and

Hello and Greetings to our friends in the Estates and East View Villa! Wow what a weather change—love the nice spring weather!!

March had lots of fun activities and events. Guatemala 2018 Mission Trip by Gail Weins was our Estates Program with lots of pictures and narrations of building a church. We got our hands and feet pampered at Creative Hairlines. For our St Patrick's Day celebration we ate sweet treats. We celebrated National Oreo Cookie Day with lots of different types of Oreos and National Crayola Crayon Day by coloring. We had a couple trips to Wal-Mart and Dillons with lunch. We enjoyed a fun edible cooking class of Easy Individual Chicken Pot Pies and Crustos. March Madness was the talk of the coffee shop. Biscuits and Gravy by our very own Katie Hollingshead is always a huge success. We enjoyed listening to Karesa Gay with her family singing and Joshua Lightfoot and his wife singing and playing bluegrass music. We went to Save-N-Share and McPherson Opera Resale/Consignment store with lunch at Neighbors Cafe. We started a bus to the Senior Center for lunches on a few Thursday's per month. As always to end our month we had our monthly Potluck lunch which had lots in attendance for good food.

We have lots of fun activities going on in April: Bound 4 Glory as our Estates Program, Crafts, Cooking class, MCC Sale, Cornerstone Market & Harvest Cafe Lunch Trip, Wal-Mart/Lunch Trip, Inman Car Show, Women's Health Fair in Hutchinson, and our all-time favorite Potluck lunch. Impromptu trips we will take as the weather allows...As always look for flyers and signups.

As the warm weather gets underway, kids will be out playing. Please be sure to watch when walking/driving for our next generations.
