Pleasant News

February 2018

From the Administrator

Our residents will probably not notice, but our staff are very aware of the changes in long term care regulations. Some have called it the “Mega Rule”, but it is the biggest overhaul of regulations since 1991. So for our residents and families, if you hear something about a new way that we are doing something, it could be related to the many changes that we are experiencing.

About a year ago, I put out an invitation to resident representatives and families to start what is called a “Family Council.” There was no apparent interest a year ago, but we would be glad to help get a Family Council started, if there is an interest. A Family Council would operate similarly in fashion to our neighborhood resident councils that continue to meet and discuss whatever topics the residents care to bring to the meeting. If anyone has an interest in forming a Family Council, we will be very willing to help in reserving a room, setting a date, and notifying participants. So, please, call the Admin. if you would be interested.

Feb 1, our new rehab provider, Select Rehab will be taking the reins of our rehab program. Select Rehab is well known throughout the area for the high quality rehab services they provide. We will enjoy getting to know this new therapy provider, and our residents will benefit from the professionalism they will bring as they help our folks build on their current skills, maintain their strength and enjoy a greater level of independ-

Chaplain's Article PVH News February 2018 Issue

Hebrews 11:8, 10

By faith Abraham obeyed when he was called to go out to the place which he would receive as an inheritance; and he went out, not knowing where he was going....for he waited for the city which has foundations, whose builder and maker is God.

Zion is the name of the town in which I lived before my move to Kansas a few years ago. Located in the northeast corner of Illinois, about 45 miles north of downtown Chicago, the city was incorporated in 1900. It was founded by religious pioneer John Alexander Dowey, and financed by his church, The Christian Catholic Church ("Catholic," being used in the sense of universal). Dowey, who died in 1907, migrated from Australia ten years previously, first to New York City, then to Chicago, had a large following around the world because of his faith-healing ministry. The real estate of what would be "Zion City," as it was originally so named, was merely a pasture field, with a Methodist church located in the area. Dowey hired an architect and city planner to come with him, and lay out streets and other plans for the prospective village; and it succeeded. He developed Zion Industries, built a huge hotel for immigrants to live temporarily, and eventually built educational buildings, plus a huge Tabernacle in which his followers worshipped God. Dowey had aspirations of establishing a Millennial community; but his followers soon discovered that mankind "drags this sinful body" with him wherever he goes. The Bible declares that God has prepared a much superior place.

The LORD called Abraham from eastern city, steeped in pagan religion, to establish roots in Canaan, the Promised Land; but Abraham (and Sarah) knew that this new residence wasn't to be permanent; they were "strangers and pilgrims on the earth" (Hebrews 11:13). They had their spiritual sights on "a heavenly country (Heb. 11:14), which the Lord had "prepared...for them." The lesson for believers today is obvious. Don't get too attached to your earthly home. Dream about the one the Lord has prepared – up above!

We are pleased to see many come to hear God's Word proclaimed in the Thursday evening Chapel Services (6:30 P.M.); and we want our friends to know that there is room for more. Come worship with us. Speaking in Chapel in February will be 1) Pastor Bob Dalke, of Bethel Mennonite Church on Feb. 1; 2) Pastor Bones Nay, First Church of the Nazarene, Hutchinson, on Feb. 8; 3) Pastor Dennis Ureche, St. Peter's United Church of Christ, Feb. 15; and 4) Pastor Rich Doerkson, Grace Bible Church, McPherson, on February 22.

Passing on to receive their eternal reward were Elsa Winter, January 2; Wilbur Goheen, January 8; 3) Betty Swank, January 15; 4) Harold Gilliland, Janu-

We celebrated Activity Professionals week in January to thank our activity staff for all they do in providing our elders with opportunities to remain active both within Pleasant View Home and in the community. Each day the Activity staff received a reminder of the value and importance of their knowledge (the Ingredients) and talents (tools) in providing quality, person centered care for those who live here. At the end of the week, the management team and office staff brought in cookies for the staff and residents. This was a reminder that all the staff here have the tools and ingredients and when we all come together with our experience, knowledge, and various perspectives we are able to “make life sweeter every day” for our residents. Thank you, **Becky, Debbie, Jennifer, Lotia, and Michele** for all the loving, caring, planning, scheduling, coordinating, transporting and countless other things you do. Thank you **Bonnie** for your help, and Plaza and Walnut staff and all the staff who help with many of those activities. It

Happy Valentines Day!

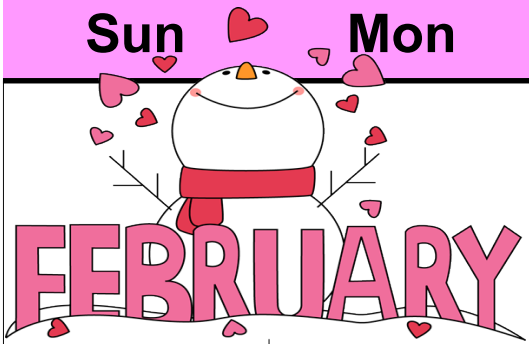

Can you name these popular love songs?

- 1) Oh when the sun beats down and burns the tar up on the roof, and your shoes get so hot you wish your tired feet were fire proof...
- 2) I'll always remember... the song they were playing, the first time we danced and I knew...
- 3) The night we met I knew I needed you so. And if I had the chance I'd never let you go...
- 4) Hands, touching hands... reaching out, touching me, touching you... Sweet...

What is your earliest memory of the Olympic Games?

Cottonwood Corner

Hello from PVH!! This will come as no surprise to you but we found ourselves inside a whole lot more than outside this month!! The staff were busy making crafts with our residents on a weekend in this picture. A fun meal adventure for everyone was the baked potato bar that staff

served and Everyone enjoyed!!! Ken managed to find entertainment with a baby goat that

needed some winter warming up and he got it! There was a rowdy game called "Kiss" that we played with Hershey Kisses which everyone wanted to win cause you got to keep your candy kisses! We

had good times with the 1st graders this month as we made "snowflakes" out of coffee filters. Now all we had to do was wait for the real snow!!! And finally it came and who wanted to go out and "play" but Wilbur Martens himself, so Susan made sure out he went...in case you're wondering....they only lasted out-

side about 2 minutes!!! A good blue-grass singing husband and wife entertained us with their talents in the Chapel which was so good we hope they come back again! Like I said, games, crafts and just plain good fellowship was enjoyed together on these cold January days that we have now said

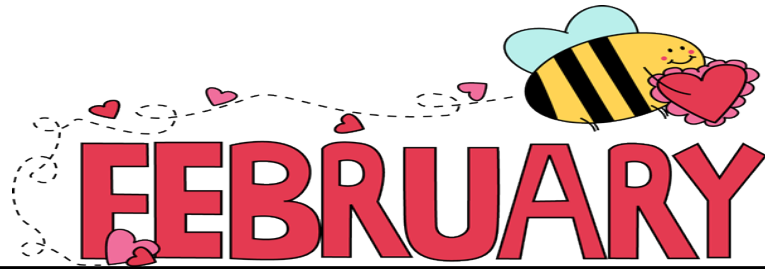

goodbye too! February is on the move into our lives and we know you will remember your loved one as we think of those we love on Valentine's Day! God Bless!

Ivy Grove & Rapid Recovery

Guess who is trying to decorate for Valentines day?! Here comes our cat Stormy dragging that red garland down the hallway looking all innocent and sweet. No one fell for it! Ha! ha! Better luck next time Stormy!

Some of the residents came out to work on

some decorations themselves and made beautiful Valentine's Day Mobiles. They turned out great.

The fun part was watching everyone try to help each other make them. We had glue sticking everywhere. We have been quite

busy this cold month of January with Resident Council, bowling at the Alley, Walmart trip, 1st graders, Skip Bo, the Blue Grass Music came to the chapel, breakfast bus, Hobby Lobby, Red Hat Society and the Kansas Quiz

Bowl for Kansas birthday. February will also bring some fun with a shadow game on the Ground Hog Day, Valentine Cupid shoot, our trip to the dollar tree, FFA bringing animals here, Valentine Peanut Butter Hug cookies, lunch at the Burger garage in Hesston and going to the Hidden Closet. Have a wonderful Valentines with all your Sweet Loved ones!

February 2018 East View Villa and

Hello and Greetings to our friends in the Estates and East View Villa! We froze during the frigid weather of January and only have a month or two of winter left. Looking forward to spring!

January had lots of fun activities and events. We started out our New Year by getting our hands and feet pampered at Creative Hairlines. We made the start of a rug for Courtney's baby for our craft. We played with baby goats. Listening to Bluegrass Music duet from Oklahoma before our lunch was a special treat. We all loved to eat different kinds of popcorn on National Popcorn Day. Our Potluck lunch was a hit with over 40 people attending from the Estates/Villas. Then there was National Pie Day which we celebrated with our Potluck lunch by having Peach and Chocolate Merange. We had so much fun on January 26 which is Australia Day by eating Australia sweet treat of Tim Tam. January 29 was Kansas Day which was even better when we all ate Dirt Cake and Tornado's. Ended the month with a puzzle exchange with the residents.

We have lots of fun activities going on in February: Creative Hairlines for our fingernails and toenails, Superbowl Day at the Inman Museum, Groundhog Lunch at St Peters, Monopoly Game Day, Valentine's Day Party-bring a card to exchange game and bring a treat to share, and our Estates Program-Steve Epp & Group, Potluck lunch, and a Mardi Gras/Fat Tuesday Celebration with lots of food. Impromptu trips we will take as the weather allows...As always look for flyers and signups.

As the cold weather gets underway, please be sure to stay warm and safe. On Sunday there is a TV Chapel Schedule in Phase 3 and meet at 10:15am for those not wanting to get out due to weather. Please take advantage of this.

Please note that our Ice Cream time has changed to 2:15pm on Friday.

As always I would love to hear what you love to do.
