Pleasant News

From the Administrator

We are blessed at Pleasant View. So many things to be thankful for. We often hear from the families of those we serve, and appreciate their kind words of appreciation related to the dedication of our staff and the great care they provide. In addition to individuals who appreciate their experience here, and know that we put the resident first, we have entities that evaluate our care and services. One of those entities is the Veterans Administration which completes an annual evaluation of all aspects of care, including nursing, food service, housekeeping, pharmacy, contracts and much more. Our annual survey with the VA found no deficient practices!

One way that we can be sure that we are always putting our residents first, is to have a formal process for residents to voice not only their praises, but also their concerns. Residents need to know that their concerns are always welcome and taken seriously. The Administrator is considered the "Grievance Official" by our policy. Residents are welcome to submit a grievance, to the Administrator, and it may be spoken or in writing.

June was a fantastic month, lots of positives, including a big week of honoring our certified nurse aides. They are the backbone of our care and services, the "boots on the ground", who know the residents, best. Now we are rolling into July, and hoping you all have a happy and safe 4th.

Harvest time is a little earlier in this area than it is in the northern part of the state where I grew up. Harvest always took place during 4th of July so my 4th of July memories are intertwined with my harvest memories. Both are an exciting time of year. For many, 4th of July brings memories of the care free days of summer, picnics, parades, family traditions. I love hearing the patriotic songs with the strong marching beat. Harvest brings out a sense of community. My cousin's family and my family often harvested together. Her mom would bring out the best hot, home cooked meals. My dad taught us how to chew wheat into gum. Putting grain in the grain bin we would sit at the top of the grain truck and slide down with the wheat as it went into the auger. I wouldn't dream of allowing my kids to do this (its probably illegal now anyway) but I sure had a good time! What are your memories? Come enjoy some time with your loved ones and share those memories with them and maybe hear some of their memories of summer, fourth of July and harvest of long ago!
Happy 4th of July!

Thank you to our Jr. Volunteers who have been helping this summer. I know you have all been busy with Camps, harvest, sports and many other activities. We really appreciate you adding time at Pleasant View

HOW THE PROGRAM WORKS: Pleasant View Home will get a contribution from Dillons each quarter. The amount is determined by the number of members we have registered. We receive credit for almost every purchase our members make when they use their Dillons Plus Card.

The rewards Program will NOT affect your Fuel Points, you still get them!

The more individuals that join, the greater the potential for a bigger contribution we will receive from Dillons. Joining is simple.

How to enroll in the Dillons Community Rewards Program

Let's do something great for the Pleasant View Home community! Before doing your grocery shopping, do not forget to sign-up for Pleasant View Home Dillons Rewards. Any rewards Pleasant View receives goes right back to our employees to provide encouragement and rewards to our amazing staff!

1. Visit: dillons.com/account/enrollCommunityRewardsNow
2. Create your account and add your Dillons Plus Card number
3. Once your account has been created, you will have to scroll through the non-profit list and select PVH
4. Add Pleasant View Home under your "Community Rewards"

The more you shop the more Dillons gives back to the community.

Thanks for the Support

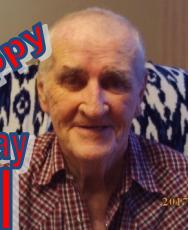

Twenty-one years ago a religious cult with headquarters located in San Diego, California caught the attention of the news media, and many Americans. The reason: thirty-nine members of this cult, including its founder, Marshall Applewhite, had taken their own lives – they committed suicide. This tragic event “was connected” to the passing of the Hale-Bopp comet, which was making its way through our solar system, which was incorporated into their religious beliefs. They must have believed that the end of the world was close at hand; to leave planet earth was their only recourse. They chose to leave it immediately, on their own terms. Such religious thinking may appear to be so foolish to most of us; but it is a reminder, that as believers and followers of the Lord Jesus Christ, we should be students of His Word – our final authority. Various and strange religious teachings continue to be “floating in the air.”

We are very appreciative for the many people and churches who come to minister at the 6:30 P.M. Thursday chapel service each week. This is a great blessing and encouragement to the residents here at Pleasant View Home. This month of July the lineup of speakers include the following: 1) July 5, Pastor Lynn Schlosser, Hoffnungsau Mennonite Church; 2) July 12, Pastor Mike Hiebert, Inman Mennonite Church; 3) July 19, Pastor Bob Dalke, Bethel Mennonite Church, and 4) July 26 Pastor Monty McFerrin, South Hutchinson Cowboy Church. We look forward to hearing the biblical Word of God from them.

Since the last publication of PVH News, the following individuals have passed to receive their eternal reward: Frances Day, resident of Pleasant Hills, on June 13, and Dixie Ingram, Pleasant View Home resident, on June 23.

Have a great and godly summer, for His glory!

Cottonwood Corner

We started our month off in the best way by heading to a favorite nurse's farm! Every year Janet invites us to her farm to see her beautiful roses, garden and just enjoy nature. Along with that comes "gator" rides and fresh cinnamon rolls provided by Janet! We love this day and look forward to it every year. Thank you Janet!

There was no shortage of activities going on this June. Many of our residents enjoy the deck out front when the weather is comfortable and sit there enjoying fellowship with nature and people who come thru our doors!

We played a lot of table games like dominoes, Skunk, and Noodles. The CC staff are so good about getting action going

anytime of the day or week!

We also have no shortage of food that we seem to find to enjoy! This month Resident Jewel was hungry for watermelon and the next day our CNA Susan went right out and brought one back for all of us to eat! We also had doughnuts for Dads for Father's day and to be honest, we bought doughnuts for the whole

neighborhood!! Barb managed to celebrate her birthday and got to hold our Nurse Cori's baby for awhile and many of us went to Rib Crib! See you in August!

Ivy Grove & Rapid Recovery

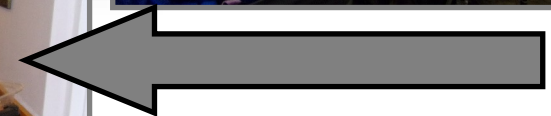

Ivy/RR Staff decided to have a carnival for our Residents so a carnival we had! We had games and fun along with lots of laughter. We made a pin the tail on the donkey game, had a giant tic tac toe, did some bowling and a bean bag toss.

Then it was time for lunch and residents voted for Subway sandwiches. But my personal

opinion was the scrumptious homemade desserts the staff and residents made that sent such a great day over the top. Blueberry cake, strawberry cheese cake, cream cheese cookies, cup cakes and more. Yummy! This July the staff want to have a Neighborhood Cook Off! We are so looking forward to it!

The Dessert Cart! Yum!!!

July 2018 East View Villa and Estates Activities

Hello and Greetings to our friends in the Estates and East View Villa! As I write this message, we have deemed it a complete and decent harvest despite the frost and lack of rain. June was a crazy weather month but I am guessing we have heat to come. I hope everyone can stay cool! One opportunity to beat the heat is to cool off with some home-made cows milk and goats milk homemade ice cream that will be served in Phase I on July 24 at 2pm. Watch for flyers.

The City of Inman celebrates 4th of July with a community event and fireworks on July 1st. Please make sure and take advantage of watching them. We will be having Cherry/Blueberry Limeades celebration on July 3rd, Phase 1 at 11:00am—be sure to bring a side item for snacks.

Featuring also this month—Farmers Markets in Inman and Hutchinson, Crafts, Root Beer Floats, Ice Cream Toppings, Re-Use It Center, Wal-Mart, Cornerstone Market and Dillon's trips. Our Tuesday Program is.....Stay Tuned it's a surprise. There will also be a couple birthday celebrations this month on Fridays so you won't want to miss Ice Cream at 2:15pm. And as always watch for flyers of upcoming events that aren't listed on the calendar.

A quick look back at the months activities before we move into next month—our Tuesday evening program was Heavenly Bells for Jesus and all deaf bell ringing choir—was amazing then a sign language song to music followed by a birthday party, Et Cetera Shopping in Newton and Newell's for lunch, Card Games, Farmers Market at Hutchinson, Carolyn Stucky brought her apron collections and talked about the history of aprons, Wildflower/Wild Animal Tour at Maxwell Game Preserve for Pizza Hut Buffet for lunch, our Mystery Trip was to Yoder Et Cetera for shopping and Carriage Crossing for lunch, and last but not least our Nail and Foot therapy days.

Look for flyers on upcoming events!!
Have a great July and Blessings,
Jennifer Wilson ext 150
