## From the Administrator

From the Administrator....

-If you happened to pass by Pleasant View, today, you may have wondered why all the residents were outdoors enjoying the spring weather at the very same time. This was not an unusual coincidence, but a very intentional situation. We were practicing our facility wide evacuation drill, and our staff and residents performed beautifully. – Thanks to all the participants.

-We also appreciate the patience and cooperation of our residents as we continue to eliminate bed rails and assistive devices throughout the building. Bed rails and assistive devices on the bed can be a hazard, and we want to provide the safest environment possible.

-In May we celebrate National Nursing Home Week. We are preparing for fun and interesting activities throughout the week.

-Our therapy partners, Select Rehab, are doing a great job. In our therapy department we have added some new equipment and our residents have given the equipment great reviews in regard to a solid rehab experience, with comfort and safety. Come, check it out!

## May 2018 East View Villa and Estates Activities

Hello and Greetings to our friends in the Estates and East View Villa!

April had lots of fun activities and events. Bound 4 Glory performed some amazing songs and we can't wait to have them come back. We got our hands and feet pampered and our fingernails and toenails painted. We had our monthly cooking class with the topic of Muffin Tin Creations. We had lots going on as it was also Mennonite Relief Sale in Hutchinson, Cornerstone Market and Harvest Café trip, Crafts, Grand Staff Thrift Store and Sunny's Café trip, Wal-Mart and Arby's trip and our monthly Potluck which is always a huge hit with great fellowship. We also had the daycare children come and color with our Estate residents for Crayola Day. And last but not least we celebrate our oldest Estates residents birthday —Ralph Andrus was a 101 years old on April 20—with Create Your Own Sundaes. The Hutchinson Newspaper came to interview Ralph as being the oldest most active independent living resident around the area.

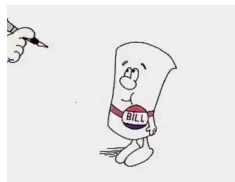

We have lots of fun activities going on in May: Larry Welch and the Notables, Creative Hairlines for fingernails and toenails, Buhler Citywide Garage Sales, Homestyle Meals presentation, Dillon's and lunch trip, Crafts, All Schools Day Parade which some are participating in by riding the bus, Stutzman's and lunch trip, Et Cetera-Hutchinson and lunch trip, Memorial Service, Memorial Day, and many birthdays. Impromptu trips and activities come up so be sure to watch for flyers

School is going to be getting out soon and as the warm weather gets underway, kids will be out playing. Please be sure to watch when walking/driving for our next generations.

As always I would love to hear what you love to do.

Have a blessed month,  
Jennifer Wilson ext 150

## **Know Your Rights under Federal Nursing Home Regulations**

### **1. What are your Federal rights in a nursing home?**

As a resident of Pleasant View Home, you have certain rights and protections under Federal law that help ensure you get the care and services you need.

Pleasant View Home must provide you with a written description of your legal rights. Keep the information you receive about your rights, admission and transfer policies, and any other information from Pleasant View Home in case you and/or your representative need to look at them later.

### **2. Generally**

All residents have the right to equal access to quality care regardless of diagnosis, severity of condition, or payment source.

### **3. Exercise of Rights**

You have the right to exercise your rights as a resident of Pleasant View Home and as a citizen of the United States, without fear of interference, coercion, discrimination or reprisal. You and/or your representative have the right to organize or participate in resident and/or family groups. You also have the right to choose a representative, including a spouse (opposite or same sex), family member, friend or others to exercise your rights on your behalf. Legal guardians appointed on your behalf may exercise your rights according to state law. You retain the ability to exercise any rights that you do not delegate to a representative.

### **Exciting dates in May**

May 13-19 is National Nursing Home Week **and** National Transportation Week.

Our transportation department is an important and valuable part of the every day lives of the residents of Pleasant View Home. They are responsible for scheduling appointments both in and outside of the facility. They are also often the first staff that new residents see as they are bringing them to the facility for the first time and they are the calming friends that are taking them to the hospital or appointment. They form special bonds with the "special passengers on board."

## You're Getting a New Medicare Card!

Medicare will mail new Medicare cards between April 2018 – April 2019. Your card will have a new Medicare Number instead of a Social Security Number.

Make sure your mailing address is up to date so you get your new card. Visit [ssa.gov/myaccount](http://ssa.gov/myaccount) or call 1-800-772-1213 (TTY: 1-800-325-0778) to correct your mailing address.

Visit [Medicare.gov](http://Medicare.gov) for the latest updates

There is no one like the God of Israel; He rides across the heavens to help you, across the skies in majestic splendor....So Israel will live in safety, prosperous Jacob in security....

Imagine this scenario: You are quite elderly; you are visiting your medical physician for your annual check-up, who tells you a few days later, "You are dying; you have only a few days left to live. Get your house in order!" What a shock! You didn't see that coming. You're tempted to "push the panic button." Unless you're a person like Moses...a person of faith. You see. Moses had a session with the Lord Jehovah who told him that he would die on that very day (Deut. 32:48ff). Moses didn't argue with the Lord; for one thing, he had been told many days before that because he had struck the Rock, that he would not be permitted to enter the Promised Land. Quite the contrary, Moses wrote a beautiful prophetic poem of blessings dedicated to each of the twelve tribes (Deut. 33). Moses approached his death with confidence, knowing that his security and safety lay in the strong hands of Jehovah God (Deut. 33:26-28). We believers today should possess even greater confidence in the Lord because of His resurrection. Notice what Peter wrote (1 Peter 1:5), "[Believers] are kept by the power of God through faith for salvation ready to be revealed in the last time."

Chapel services are held each Thursday evening at 6:30 P.M.; and we are very thankful for the men and women from the community who ministry in our presence. The following individuals/churches will be serving in the month of May: 1) May 3, Pastor Wayne Johnson, former pastor of Medora Bible Church; 2) May 10, Pastor Charles Kaufmann, pastor of Groveland Community Church; 3) May 17, Pastor Rich Doerkson, Grace Bible Church, McPherson; 4) May 24, Pastor Dennis Ureche, pastor of St. Peters United Church of Christ; and 5) May 31, Pastor Dwight Carter, Zoar Mennonite Church.

Passing on to receive their eternal reward are the following people: 1) Don Meyer (Pleasant Hills), March 25; 2) Esther Goheen, March 28; 3) DeWayne Burnett, April 3; 4) Betty Martens, April 3; 5) Jean Armour, April 8 (Pleasant Hills); 6) Philip Scott, April 17; 7) Betty Whitmore, April 18; 8) Beverly Regier, April 21; 9) Richard Ramsdale, April 23; 10) Donna Rump, April 24; and 11) Helen Ediger, April 25. May God comfort the hearts of the bereaved, knowing that "God demonstrated His love toward in that while we were sinners, Christ died for us" (Rom. 5:8).

What better way to enjoy the beginning of spring than with some spring ginger bread house, Easter cupcakes and babies!

The date for the Stutzman's green house trip will be Thursday, May 10. We will plan to bring home some nice flowers to decorate our courtyard.

All staff and residents experienced a facility wide evacuation drill at the end of April. We are glad it was just a drill and glad to have the experience but we hope and pray we never have to actually go through it. Knowledge is power and we are more prepared because of it. The plaza staff and residents did wonderful. We are always striving to learn the best way to keep your loved ones safe!

Happy Spring!!!

# Ivy Grove & Rapid Recovery

WOW!!! What happened to April... it has blown in and blew right past us! Whew!.... I just about lost my hat it went so fast.

We have a great group of residents that really like games. So we have played dominoes, skip bo, trivia for seniors and more.

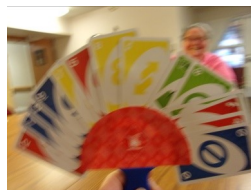

Uno! Blast! This game is so fun and resi-

dents get such a kick out of the cards blasting out of the machine. Especially when it blasts out on someone

else. The card holders have come in quite handy when stuck with so many cards.

We had a few people hankering for some Chinese food so off we went to a Chinese restaurant for some general tso chicken and crab ragoon. It hit the spot!

Edna has been practicing on the piano. You might find her doing this before supper in the galleria. If there are others who

would like to play please do so. We all love music here!

Have a wonderful and blessed Mother's Day and to remember as Mothers; We may hold their hands a while but we hold their hearts forever!
