## *Pleasant News*

### *From the Administrator*

Fall is off to a great start, at a fast pace. As I write this, there are only 58 days until Christmas. So many things to look forward to.

We are really looking forward to our annual Gift Day, Nov 8. Please come join us for a great meal of homemade soup and delicious pie, and please be sure to stay for the silent auction and the live auction in the Phase I commons. We guarantee it will be fun, and there will be some really great items at the auction.

Secondly, just a reminder, please select Pleasant View Home as your favorite non-profit organization, as your Dillon's/Kroger Community Rewards recipient. We receive a well appreciated check each quarter that goes directly to making Pleasant View Home a great place to live and work! Just go to the Dillon's/Kroger website to register your Plus card.

Have a wonderful, blessed Thanksgiving.

## Chaplain's New Article, for November 2018 Newsletter

1 Chronicles 23:30

Stand every morning to THANK and praise the LORD, and likewise at evening.

At age fifteen, **Martin Greenfield** was seized by Nazi soldiers and sent to Auschwitz, where he was put to work scrubbing Nazi uniforms. When he damaged one of them, he was beaten. "A nice man pulled me aside," he said, "and taught me how to sew and [to make] a simple stitch. It was my first tailoring lesson." Martin was eventually liberated by American soldiers, though his family perished. Immigrating to the United States, Martin became a tailor. Today he's known as the best suit-maker in America, and among his customers are presidents of the United States. The primary attitude in Greenfield's life is **thanksgiving**. "Everything I am or will ever be I owe to God and the soldiers, sailors, airmen, and Marines of the US Armed Forces who fought and died to liberate me....I am overwhelmed with **gratitude**." Jesus Christ, God's Son, came to earth from heaven to liberate mankind from sin, Satan, death, and eternal judgment in hell. He equips believers to serve Him, and use them to bless others. He clothes each believer with righteousness. Everything believers in Christ are, or have, is the result of His blessings. Whether sitting or standing, may we "**thank and praise the LORD**."

Special events will be taking place in the Thursday Evening Chapel Services (6:30). 1) **November 1**, the James Garcia Family, from Mission, Texas will be presenting a concert of gospel music. 2) **November 8** is the Annual Gift Day; supper will be served at 4:30 until 6:00 P.M., followed by the auction. Many thanks to the supporting churches and individuals who help this important ministry. Come and enjoy the blessed fellowship. 3) **November 15** will feature the teaching ministry of Pastor Rich Doerksen, Grace Bible Church; 4) **November 22** is Thanksgiving Day. Enjoy this day with family and friends; **no service will be held**. 5) Mr. Dean Kroeker, from Central Christian College, will be guest speaker on **November 29**.

Recently, the following precious souls were ushered into eternity: 1) **Ruby Becker** on September 27, 2) **Ed McCullough** on October 2, 3) Howard Just on October 3, 4) **Velma Robbins** on October 6, and **Sarah Friesenhahn** on October 25. May each of us prepare our hearts for that solemn day by trusting in the only One, the Lord Jesus Christ, for the salvation of our soul.

Dave Denlinger, chaplain

## Residents' Rights

# *Pleasant View Home*

## Know Your Rights under Federal Nursing Home Regulations

### 1. What are your Federal rights in a nursing home?

As a resident of Pleasant View Home, you have certain rights and protections under Federal law that help ensure you get the care and services you need.

Pleasant View Home must provide you with a written description of your legal rights. Keep the information you receive about your rights, admission and transfer policies, and any other information from Pleasant View Home in case you and/or your representative need to look at them later.

### 2. Generally

All residents have the right to equal access to quality care regardless of diagnosis, severity of condition, or payment source.

### 3. Exercise of Rights

You have the right to exercise your rights as a resident of Pleasant View Home and as a citizen of the United States, without fear of interference, coercion, discrimination or reprisal. You and/or your representative have the right to organize or participate in resident and/or family groups. You also have the right to choose a representative, including a spouse (opposite or same sex), family member, friend or others to exercise your rights on your behalf. Legal guardians appointed on your behalf may exercise your rights according to state law. You retain the ability to exercise any rights that you do not delegate to a representative.

### 4. Planning and Implementing Care

You and/or your representative have the right to be fully informed of your medical condition in a language you can understand, and to participate in your person-centered care planning and treatment, including the type of caregiver who provides services to you. You also have the right to refuse and/or discontinue medications and treatments (but this could be harmful to your health), and to formulate an advanced directive.

### 5. Choice of Attending Physician

You have the right to choose and see your own doctor.

### 6. Respect, Dignity and Self-Determination

You have the right to be treated with respect and dignity.  
You have the right to retain and use personal possessions.

You have the right to the reasonable accommodation of your needs so long as it doesn't endanger the health or safety of you or other residents.

You have the right to choose your roommate when practicable.

You have the right to choose activities and schedules (including sleeping and waking times).

You have the right to participate in community activities both inside and outside of Pleasant View Home.

You have the right to spend private time with visitors. Pleasant View Home must permit your family, your representative(s), your physician, a representative of the state, and your Kansas Long Term Care Ombudsman to visit you at any time. You don't have to see any visitor you don't want to see. Additionally, Pleasant View Home must provide you with reasonable access to any person who gives you help with your health, social or legal needs.

You have the right to manage your own money or choose someone you trust to do this for you. If you ask Pleasant View Home to manage your personal funds, you must sign a written statement that allows Pleasant View Home to do this for you. Pleasant View Home must allow you access to your bank accounts, cash, and other financial records. Pleasant View Home must place your money over \$100 (\$50 for those receiving Medicaid) in an account that provides interest, and they must give you quarterly statements. Pleasant View Home must protect your funds from any loss by buying a bond or providing other similar protections.

### 6A. Respect, Dignity and Self-Determination continued

If you and your spouse both live in Pleasant View Home, you have the right to share a room (if you both agree to do so).

You have the right to be free from physical (except if you're at risk of harming yourself or others) or chemical restraints.

Physical restraints are any manual method or physical or mechanical device, material, or equipment attached to or near your body so that you can't remove the restraint easily. Physical restraints prevent your freedom of movement or normal access to your own body.

A chemical restraint is a drug that's used for discipline or convenience and isn't needed to treat your medical symptoms.

You have the right to be informed of all resident rights and responsibilities in Pleasant View Home, including the right to access your personal and medical records. You have the right to communicate with Federal, State or local officials, including surveyors and the State Long Term Care Ombudsman without any interference from Pleasant View Home.

# Cottonwood Corner

Ok, lets be honest, after you are done reading this Cottonwood Corner Newsletter page you will think we spend a lot of time making and eating food. Well for October, I'm gonna say that was true.....but even if food looks like it was the only priority, it wasn't! We had the best day riding on the old locomotive train in Abilene, KS. We highly recommend that for any age! Enjoyed a delicious meal at the farmhouse Mr. K's afterwards. I had a great group followed me to the Sunroom and made

En-  
called  
that  
Eng-

lish muffin pizzas for everyone on Cottonwood. Thanks, Frieda, Wilbur & Gretchen! The

Second shift staff of girls brought in cookies to decorate for October! They had a lot of fun and all kinds of decorations were used. Sheri helped make peanut butter cookies with kisses on top a different day also! The Inman Ministerial Alliance came in October and we had a nice Communion Service for all of those who wanted to participate. ....Now on to Important **Dates to put on your calendars!! November 8 is our annual "Gift Day" at PVH.**

Only once a year do they have a fundraiser for the Home and it is the BEST! Homemade noodle soup, sandwiches, homemade breads & pie and ice cream! My favorite part (as soon as I am done eating) is the Auction starting at 6:30. We have never been disappointed in all the items up for bid and it can get lively! Please come, enjoy supper and help support our Home! **NEXT important date is December 10!! Cottonwood will have their annual Christmas Party in the Chapel starting at 6:30 p.m.** The food is the best, Santa always finds us and having our families with us the is the most important.

Hope you can all come!

# Walnut Court

Fun and variety characterized the life on Walnut Court in October. The month began on a sad note with the passing of Ruby on September 28 at age 98. We miss her spunk and the twinkle in her eyes, and we know that the Kansas City Royals will have another fan in the heavenly grandstand. Several days later we celebrated Fannie Mae's birthday even though, as she said, "at my age a birthday is just another day." Many in the neighborhood did not agree!

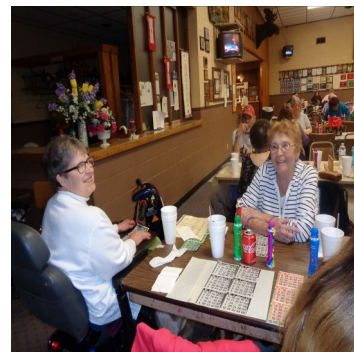

On a cool and very rainy day, a scheduled 'outing' day, four bravely sauntered on to Hutchinson for a couple shopping stops and lunch at Pizza Ranch. On the drive home we dubbed ourselves the *Storm Troopers!* The next day everyone enjoyed a "dining out" with Pizza Hut and Chinese food brought in.

Creative juices flowed in the middle of the month. Fannie Mae and Sandy (CNA) took a Sunday afternoon to make caramel corn. Very tasty! It didn't last long. Some of us created Halloween ghosts from a very common household item and let our personality—and the light—shine through. Looking at them, you can wonder if they look like Jack O'Lantern or Casper O'Ghost. Maybe both?

Five went to Bingo at the Moose Lodge and enjoyed the games and just getting out on a warm October day. Thank you to helpers Barb, Pat, and Sandy, and congratulations to Pat, the only winner in the group.

As we've decorated for the fall and get ready to welcome the adorable trick-or-treaters, we think ahead to Thanksgiving and family. We invite family to dine with us that day. For further information and to RSVP, contact Barb.

# PLAZA

*Hello Everyone! October was an exciting and busy month for us and now we look forward to November and the beginning of the holiday season!*

*We celebrated Connie White's birthday on the 7th and our nurse, Haley Heidebrecht's birthday on the 21st. Haley has changed from day shift to 3rd shift. We are glad*

*she is still with us in Plaza! We went to the Moose Lodge in Hutchinson to play bingo. That was a new adventure. We had a good time. We also*

*had an inside picnic in our TV room with our resident favorite take out—KFC! We Decorated Pumpkins for our tables and made trick or treat bags for our little trick or treaters!*

*Have a Wonderful and Happy Thanksgiving from our Plaza family to yours!*

Family of Velma Robbins are in our thoughts and prayers as Velma passed away on October 6, 2018.

Velma initially moved to Plaza neighborhood because there was no room availability in the other neighborhoods. When the opportunity came to move to a different neighborhood she chose to remain in Plaza because she enjoyed her neighbors and the staff and felt God had placed her there for a reason. Her presence will be greatly missed. We want to thank Velma's brother for donating his painting that represents his first memories of Inman. It will be a cherished reminder of the time we were given with Velma.

This month we are celebrating

# Heritage Inn

Hello Everyone! We had a fun filled month with all sorts of activities from crafts, to our pumpkin contest which Darlene Moore won! Her guess was the closest to the actual weight of the pumpkin. King's Corner the card game was a big hit down here, the residents can't get enough of it. We had some Birthdays this month Sue Wallace and Glenn Carey. Can't wait to see what next month has in store for us!

# Ivy Grove & Maple Lane

Having fun at the Kansas State Fair in September. Everybody was so excited to go and eat something weird and see all the sights. We had perfect

weather and perfect help! A big thank you to all residents, staff, friends and family who went!

George was our Jeopardy winner of the month of October. Let me tell you that it wasn't easy. Congratulations George! You are one smart cookie!

We had some toasted marshmallow s'mores and they brought back many memories for some and their very 1st s'more for others. All that gooey goodness was delicious!

We took a group out to Anchor inn. They were so excited they were doing the wave in the bus. Lol!

**Please Save the Date! Our Ivy Grove , Maple Lane Annual Family Christmas is December 17.**
