Pleasant News

October 2016

From the Administrator

Beautiful fall weather, right outside my window! Hope you all have the opportunity to go outside and enjoy.

As I think about going outdoors, I am reminded that sometime soon, our nursing home is going to practice our evacuation drill, while the weather is still nice. Our staff will be encouraging all of our residents to join us. Do not be alarmed, this is something we just need to practice annually, for the "just in case" scenario.

Now for some really exciting news, - please be ready to welcome our new Certified Dietary Manager, Rikki Biggerstaff, as she joins the Pleasant View team. Rikki comes to us with experience, enthusiasm and a heart for providing delicious meals for our elders. Rikki has been dropping by for orientation and her first official day will be Oct. 3.

Exercise is Key to Healthy Aging ~Dr. Richard J. Hodes

Why is exercise so important?

Exercise is perhaps the best demonstrated way to maintain good health, fitness and independence. Research has shown that regular physical activity improves quality of life for older adults and decreases the risk of cardiovascular disease and many other illnesses and disabilities. In many ways, it is the best prescription we have for healthy, successful aging.

Does exercise make a difference?

Yes, staying active is important throughout life. Regular exercise and physical activity help you stay fit enough to keep doing the things you enjoy. No matter your age, you can find activities that meet your fitness level and needs.

How much physical activity is good?

Aim for 150 minutes a week of moderate-intensity endurance activity (such as brisk walking) and muscle-strengthening activities on two or more days a week that work all major muscle groups (legs, hips, back, abdomen, chest, shoulders and arms). You can do balance and flexibility exercises any time.

Is it safe to exercise?

Exercise is safe for almost everyone. Studies show that people with arthritis, high blood pressure, diabetes or heart disease benefit from regular physical activity. If you haven't been active for a long time, it's important to start out at a low level. You may want to talk with your doctor if you decide to start a vigorous exercise program or significantly increase your activity.

An exercise routine doesn't have to change a lot, as long as it includes both strength training and aerobic exercise. Strength training involves upper body exercises to strengthen arms, shoulders, back, chest and neck; lower body strength exercises build leg strength for walking, hiking, biking as well as climbing stairs and other everyday activities. For aerobic exercise walking and biking can be done both indoors and outdoors, there are many ways to get aerobic exercise and these are just two of them. The key is to make exercise as much a part of the day as eating or sleeping. You will feel great when you exercise. Do it carefully and regularly and see for yourself how fun and rewarding it can be.

Look in November's newsletter for what you need to know about exercise!

East View Villa and
Estates Activities

Hello and Greetings to our friends in the Estates and East View Villa! We have been busy crafting this past month. A picture below shows how hard at work we have been. We recruited Tom our maintenance man to assist us in pounding in nails. What a fun time was had by all even though the craft project was a little hard!

We are looking forward to the upcoming month filled with special guests-Longeneckers, Praise Team Zoar-Conrad Prieb, Ross Janssen & Millie from KWCH Channel 12, Carriage Crossing Lunch, Saturday morning Breakfast, and Costume Halloween Party. We also have a Ladies Bible study on the 1st, 3rd, and 4th Wednesday mornings of the month at 9:30am in Phase 3. Also we will be painting pumpkins during the week of October 17, so be looking for flyers.

This year sure seems to be flying by so I will be putting sign-ups for our Thanksgiving lunch and other upcoming activities. Signup sheets will be by the coffee area in Phase 1. Be sure to keep an eye on the calendars as we have lots planned and hope that you will be able to attend. As always I would love to hear what you love to do. Enjoy the beginning day of our fabulous fall!

Matthew 13:30

Let both grow together until the harvest; and at the time of harvest I will say to the reapers, "First gather together the tares and bind them in bundles to burn them; but gather the wheat into my barn."

It's been a VERY good year for Kansas wheat farmers; yields of 60-80 bushels per acre are being reported. According to the United States Department of Agriculture (USDA), approximately 394 million bushels of wheat have been harvested in Kansas, with an average yield of 48 bushels per acre, the highest production rate since 2003. Because of decreased acreage, production amounts will not rival past records. Many of us have witnessed the bumper crop of wheat, seeing vast piles of wheat being stored OUTSIDE the elevator silos, which were already filled to the top! One of these I personally witnessed while driving on Route 56 near Galva.

In the spiritual realm the Lord Jesus Christ through His Church has been sowing Gospel seed for twenty centuries; it appears that the harvest is very good; but another sower, an "enemy," also has been sowing his weeds. His crop looks very good, so good that it's impossible to discern the weed from the wheat; but the harvest is not yet. It will occur when the Son of Man sends His angels into the field of the world to gather up all offensive and lawless people, separating them from the true, righteous harvest (Matthew 13:37-43). How important it is for every person who has heard the Good News of Christ that his faith and commitment is focused solely on the true Savior!

Each Thursday evening (6:30 P.M.) a chapel service is held at Pleasant View Home, with representatives from various churches and the community presenting God's Word. The line-up of speakers for October include Pastor Charles Kauffmann, of Groveland Church (Oct. 6), Mr. Jasper Franklin (Oct. 13), Pastor Wilmar Harder, of Buhler Mennonite Church (Oct. 20), and yours truly (Oct. 27). In other news, Albert Balzer, an Estate resident, passed on into the presence of his Savior and Lord on September 17, 2016.

ALL ACTIVITIES ARE SUBJECT TO CHANGE

Walnut Court

Another month has flown by and we say hello to October. But in the last month we got a chance to get some shopping done. The beginning of the month we went out to eat breakfast at I-Hop and shopped around at the new Dollar Tree, as well as Hobby Lobby, and Wal-mart. When it came to the trip for the State Fair sadly the rain wouldn't cooperate with us so we had to cancel that but we did get a chance to eat at the yummy Firehouse Café and do some shopping at the Hutchinson Mall. So it wasn't a wasted trip of trying to join the State Fair!

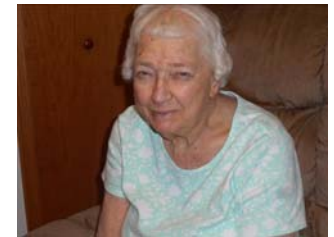

OCTOBER 2016

I would like to recognize two new members to the Walnut Court family!! Wilma Symonds and her cat named blossom. Wilma liked to paint and finish pencil drawings, she also enjoys her daily visits from her husband Ken.

Eva Mae Voth is also the newest member of our Walnut Court family. Eva was a nurse and en-

joys collecting nursing items.

With October here we'll get to have some fun with pumpkins and enjoy seeing all the beautiful autumn colors outside!!!

Just to let everyone know Sept. 29th was my last day. I've greatly enjoyed being apart of the Walnut Court family and wish everyone the best! I will miss everyone , but my son and I will be in to visit every now and then!

Best wishes to all!!!

Hello fellow staff members and residents! Harvest House had a lot of activities going this month. We had fun going to Walmart and the Dollar Tree and eating at IHOP. We didn't get to enjoy the cause of the rain so we went to the Fire House Café and The Hutchinson Mall instead. And we celebrated Norma's Birthday on September 12th. This month we will be celebrating Fern's Birthday. Can't wait to see what next month has in store for us!

The Plaza

Plaza has had a busy month full of fun and activities. We took a trip into town and went to Chili's and shopping at the Dollar Tree in Hutchinson to pick up Halloween decorations and other fun things. We ventured out to the fair on dollar day no less and boy oh boy were there lots of people and lots to see.

Our Neighborhood welcomed Paul Smith to our Plaza Home, we look forward to getting to know him and his family better.

Debbie Schofield will be leaving our Neighborhood as she accepted a position in one of the other Households . We wish her the best of luck. We also welcomed Lotia Conley to our Plaza family, and look forward to all she brings to the Plaza.

The Plaza has had some sickness going around lately, so we politely ask that if you are under the weather to refrain from visiting till you are better , as we do not want any more sickness down under here in the Plaza. We want to not only protect you but your loved ones as well. As always we will be welcoming Trick or Treaters this Halloween, . We prefer the times between 4pm– 7pm.

We look forward to seeing all their costumes.

We have vegetables now growing in our garden and we've

enjoyed going outside to pick them and use them for our salads and for our meals. We also discovered that we have Hummingbirds living in our Purple Morning Glory flowers. Its fun to go sit and watch them flutter about the flowers. We will continue to do our Take Out Tuesdays and I will be making a Halloween Holiday Dinner on the 31st. It will be Spooky Fun.

Our Camera crashed and we lost all our pictures. I am working on to get them restored and I will get them posted for next month. I apologize to each and everyone. :-(

Pleasant Hills

Fall Decorating

At the end of the month, we set off to Hobby Lobby with Joan, a Pleasant Hills resident, for new Fall decor.

We had fun decorating our home with lighted fall garland, wreaths, pumpkins and turkeys.

For an October activity, we even purchased paintable pumpkins for everyone to decorate to place beside their door.

Welcome Fall!

In September, we welcomed Fall in style by getting out and enjoying the beautiful weather September brought. We hosted a Labor Day event, decorated the facility for Fall, went on multiple outings and even welcomed some new residents.

Friends and family of Pleasant Hills are excited to see what October brings!

September Outings

Dollar Tree

The first of September, we took our Residents to the newly opened Dollar Tree at the Hutchinson Mall!

Our residents were able to spend some money to get items they needed or wanted. Pictured left, Dean picked out a calendar to hang on his wall.

Lunch at the Senior Center

Mid month, we took our residents to the Delos V. Smith Senior Center in downtown Hutchinson. We enjoyed a delicious meal and wonderful accordion music. Pictured left, Ruth and Edythe are singing along to the music.

Special Events

Pizza and a Picnic

For one lunch this month, we decided a pizza party on the front patio was the way to go! After cleaning down the tables, we brought in Pizza Hut and enjoyed the beautiful weather with lunch and devotions.

Labor Day Family Day

On Labor Day, we hosted a BBQ Family Day for all Pleasant Hills family and friends. We had a great turnout and everyone enjoyed the delicious food the staff cooked. We had both resident families along with daycare families attend. Holiday Family Days are something we look forward to.
