Pleasant News

March 2016

From the Administrator

There are plenty of exciting things going on at Pleasant View Home. On March 14, individuals from the National Research Institute will be here to complete the Kansas Nursing Home Resident Satisfaction Survey. We are looking forward to the valuable information this will bring our way.

And we have some good news! Our organization was accepted for the Dillon's Community Rewards program. This means you can create an account with Dillon's to designate the points from your purchases to be directed to a non-profit organization – that being Pleasant View Home. We are really excited about this, and hope that the folks who receive the newsletter will go on-line and sign up for this program. Just go to dillons.com/community-rewards and follow the instructions. Dillon's distributes \$2,000,000 per year to local organizations based on the participation of those who have registered. We thank you in advance for selecting Pleasant View as “your” organization!

In addition, if you are looking for an alternative entertainment from the “March Madness” of basketball and politics, you might consider an entertaining night out at the Pleasant View Annual Meeting, March 17 at 7:00 p.m. in the chapel.

Cable TV for Pleasant View Home, Pleasant View Estates, and East View Villa

Pleasant View has signed a contract with RetirementHomeTV to provide cable service campus wide at Inman. Installation should begin in 2—3 weeks with completion in 60 days. The important question about the church channels, YES, they will still be available. There will also be some additional channels.

There will be some sets that will require a set top box. This depends on the TV itself. There will also be High Definition on the sports channels. We are looking forward to RetirementHomeTV being our new provider. There should be no interruption of service when the change is made.

Those that currently have Dish or Direct TV contracts will have to complete their contract before they can move to PVH cable.

Questions, ask Cyndi or Daryl. We will get an answer.

A Sitting Disease Epidemic in the Workplace

~ from Worksite Wellness ~ by Alan Kohll 3/10/2015~

“Sitting Disease” is becoming more and more of an issue in our society. This new health issue has arisen as sedentary behavior—sitting at work, watching TV, commuting—now eats up the vast majority of our time. According to Mayo Clinic, 50-70% of people sit at least six hours a day, and 20-35% of people spend over four hours every day watching TV. This shows us that the sitting disease is spreading between home and work.

The Bad News

-This new health risk is a huge problem for a number of reasons. First and foremost, the effects of sitting all day can't be reversed by even the most intense workout later that night. The problem needs to be cut off at the source so those negative health consequences can be avoided all together. Here are a few of the detrimental health effects that a sedentary lifestyle can have: 1. Increased risk of obesity, heart disease and even some types of cancer, 2. Decreased function when it comes to circulation, respiration and posture, 3. Mental issues including increased fatigue, loss of focus, higher stress levels and lower productivity, 4. Fewer calories burned throughout the day. The negative side effects of living a sedentary lifestyle are said to decrease life expectancy by an average of 21.8 minutes for every hour spent sitting. The risks get a bit more serious as an individual gets older, so it's important to focus on moving throughout the day.

The Good News

- Number 1. Take Breaks—It's not too difficult to take breaks throughout the day to get moving. These breaks can easily blend into a typical work day. One option is to take all phone calls either standing or walking around. Another is to get up and move every hour and finally, exercise breaks can make a huge difference. Every so often do some office workouts like wall-sits, triceps dips and more!
 - Number 2. Compensate—Focus on sitting correctly. Be sure to sit with good posture: back straight, feet on the floor and no slouching! Second, get moving in other ways throughout the day, take the stairs, park farther away and many more.
 - Number 3. Don't Sit
- This It's that simple...just don't sit. There are plenty of options to turn workstations into sit-free or sit/stand zones. For more information on this ever-coming popular disease see Jennifer Cox, Wellness Coordinator.

Estates Activities

March is upon us! We have yet to see if March will come in like a lion and out like a lamb. But after a mild February, I am not sure what we should expect! Only time will tell. This year we have Easter in March. It comes early this year but we look forward to the celebration of the resurrection of Jesus.

I'm excited that Brenda Goering is back at the Estates, joining me to work on planning and facilitating activities. We will share the work and collaborate to hopefully increase the strength and diversity of our activities offered here. We will look forward to many exciting endeavors coming up in March.

In March we will again have a Saturday special breakfast. This month will feature a waffle bar on March 5th. We will make the waffles and you can top them with the variety of delicious toppings that we will supply! Also in March we will have a special craft, a St. Patrick's celebration, and a walk outside on National Take a Walk Day. Another thing I'm looking forward to is an outing to Galva for a delicious breakfast at Hungry Mann's Café followed by some shopping in McPherson.

Happy Easter!

Until next time, God bless,
Jocelyn Busick, Life Enrichment Coordinator

On Feb. 13th, we enjoyed a Valentine's Day Party in Phase III with punch, cookies, games, and love stories!

Estates residents enjoy some biscuits and gravy during our special breakfast on Feb. 6th

Well, it looks like Spring might be right around the corner, but I have been in Kansas long enough to know that anything is possible. We welcome Tony Petrocci to our Estate community. Tony has moved into apartment #36. If you see him around, please make him feel welcome. If you have friends that you would like to have become neighbors, have them give me a call and we will find an apartment or duplex that fits their needs.

Pleasant View Annual meeting will be held on Thursday, March 17th at 7:00pm in the Pleasant View Chapel. All are welcome.

I Thessalonians 2:2 ESV

We had boldness in our God to declare to you the gospel of God in the midst of much conflict.

Preaching the Gospel of Jesus Christ has never been the most popular event to happen in a neighborhood. For twenty centuries now, those who have proclaimed the gospel have experienced verbal abuse, physical pain, and even death. In recent years, Martin Burnham lost his life, after having been kidnapped for months, more recently a missionary father and son were burned to death; and every year there are scores of Christ-followers who are killed because of their faith. The endangerment of life was no distant prospect for any of the apostles. After witnessing the persecution and ultimate crucifixion of their Master and their Savior, His solemn words were certainly branded into their hearts: "He who does not take his cross and follow after Me is not worthy of Me" (Matthew 10:38). Paul, when he wrote the words "in the midst of much conflict," spoke from experience. At Philippi, he was arrested, beaten with a whip, and put in shackles in a prison; at Thessalonica, he heeded counsel to leave town before he experienced more physical pain. He was, however, undaunted, because he saw the power of the Gospel (read I Thessalonians 1); some of the Jews believed in Jesus as their Messiah; a great many Gentiles had placed their faith in Christ; and a fledgling Church had been founded. This is **the stuff** that keeps missionaries, pastors, and gospel-spreading believers proclaiming the gospel of Jesus Christ; it is the reason why at least two billion earthlings proclaim faith in Christ today.

Chapel services are held each Thursday at 6:30 P.M.; this is an excellent opportunity to connect with other PVH residents and enjoy fellowship with them. Churches ministering in March are 1) Zion Mennonite Church on the 3rd, 2) Inman Mennonite on the 10th, 3) Bethel Mennonite on the 24th; and 3) Mrs. Beverly Regier giving a report on her missions trip to Ethiopia, February 31; no service will be held March 17 because of the PVH Annual Board Meeting. The Community Palm Sunday Service will be held at Bethel Mennonite Church at 7:00 P.M. Special music will be provided by singers of the local churches represented. Passion-week meditations will be presented by local-church pastors.

Those who have passed to receive their eternal reward were Joyce Smith (February 1), Barbara Shufelberger (February 10), Veora Abernathy (February 24), Charles Snyder (February 26), and Fern Parker (February 26). May each of us heed the biblical admonition, not "to be foolish, but [to] understand what the will of the Lord is" (Ephesians 5:17).

Cottonwood Corner

Hello March!! We are glad to see March come, it's a little closer to Spring weather then! In the pictures above our Red Hat Ladies enjoyed a Table top spelling bee and Fruit Loops! It was much easier writing the words then spelling them outloud like we usually do! Below we are playing a Ground Hog prediction game to see whether our Spring will come on time or be late! I'm not sure we believe the outcome of our predictions but the game was fun!! Liz and I were privi-

leged to go to the Fox Theater in Hutchinson and see Vicki Lawrence live! What a hilarious show with half of the performance being herself in a comedy routine and the 2nd half she

was "Mama" from the Carol Burnett show. The show was sold out for a good reason! Below Betty, Wilma, Amanda and Liz spent an afternoon making a Valentine Heart-felt craft. They made felt holders for purse

size Kleenex tissues and they were cute! A few residents enjoyed Fazoli's after shopping at Walmart this month. Eva and George are chowing down their good food. Keith came out the big February Jeopardy winner for this month. Unlike last month, these categories and questions were

really hard!! We're hoping March is much easier on our minds! Wilbur said he had never been to the St. Peter's Ground Hog supper so I decided this was his year to experience it! Below he and other residents and staff are filling up on sausage and sauer-pancake race was and we didn't win we tied!!! Rock on Cottonwood!! Come visit us anytime!

Harvest House

Hello Residents and Staff members! Last month was a great month. We had a lot of activities going on last month. Some of the residents and staff members from Harvest House and Walnut Court enjoyed a day out on the town in McPherson, Ks. We had fun shopping at Walmart and eating at

Mrs. Kelsey in Freddy's. For Valentine's Day we had a fun afternoon with the residents and staff members from Harvest House and Walnut Court. We had a lot of fun playing the Wii and enjoying our indoor picnic. Can't wait to see what next month brings.

Freddy's. Vernabelle filled after-cooking with the kitchen. Valentine's Day residents decorated, baked, cooked, scratched, and made Valentine's Day cards for each other. And we had a lot of fun

The Plaza

We are so glad that Spring is finally on its way. The weather has been so nice here lately. This month we will be celebrating Saint Patrick's Day and Easter this month. This month we welcomed Charles "Fuzzy" Snyder and Kenneth Spoonmore to the Plaza Neighborhood. But we had to say goodbye to Charlie Snyder as he went to his Eternal Heavenly home. Our prayers are with his family. We celebrated Valentines Day with lots of balloons and a special dinner for our Elders. We made a trip to Wichita to the Museum of World Treasures and out to eat at Old Chicago. This month we are going to go bowling in McPherson and a 50's concert in Wichita. We are also planning a breakfast run to Carriage Crossing in Yoder and of course we will have a couple of take out Tuesdays. Our annual trip to Dutch Kitchen and Stutzmans Gardens will be on April 21. I will be sending out letters of reminders for this. This year we are thinking about doing a vegetable garden along with some flowers. As always if you have any thoughts or concerns don't hesitate to call or email

me at any time.

Thank you for the opportunity for all of us to care for your loved ones.

May your blessings outnumber
The shamrocks that grow,
And may trouble avoid you
Wherever you go.

Heritage Inn

March has come in the blink of an eye it seems! The weather is getting nicer outside and we are looking forward to spending some much more needed time getting some fresh air around the Heritage Inn. A lot of good new changes have been going on for a while now and we are starting to take notice of them. All three of our hallways have been updated now, they all have some fresh paint and new carpet including decorations. It really does seem like a whole different world here now!

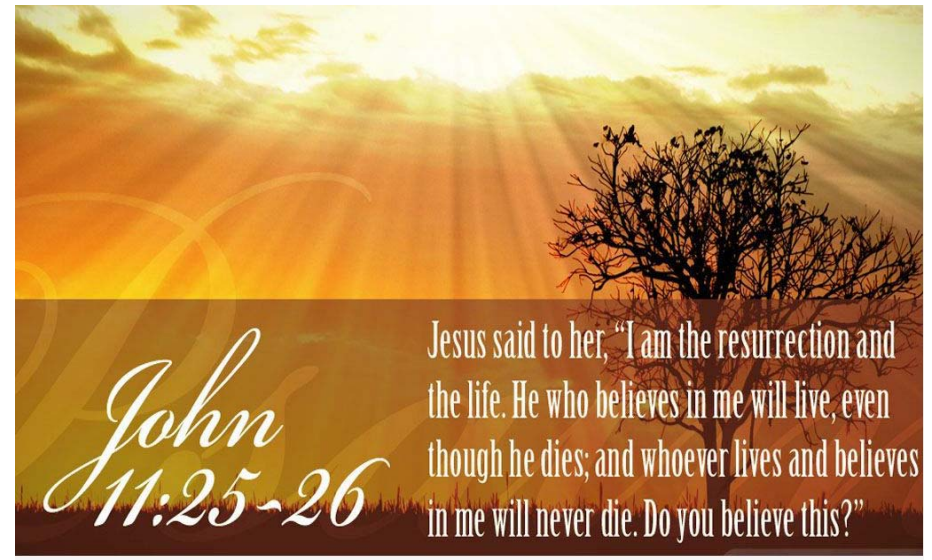

Left: Danielle and Kathryn relaxing and watching a movie.
Below: Jamie, Gail and Olive working on a puzzle!

Left: Liz and Louise listening to Louise's music therapy iPod.

Our residents and staff have been doing a really good job at finding things to do around the neighborhood. Some of our recently favorite activities around here are Tasty Tuesday (which is an all time favorite!), we have a game about sayings our residents really seem to enjoy, Playing with the balloon is also always fun. But lately getting the bread machine out and baking some bread seems to be a hit with almost everyone!

Upcoming Events!

MARCH 13th Daylight Saving Time Begins

MARCH 17st Baked Potato Bar for Lunch, St. Patrick's Day

MARCH 20th Pam Sunday and Spring Begins!

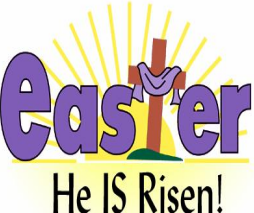

MARCH 27th Happy Easter!

We have trips scheduled for the 2,11, and 24 destinations have not been decided yet depending on the weather!

**Anyone who would like to join us is
always welcome! Just give us a call or an email!**

Pleasant Hills

So happy the groundhog saw his shadow and spring is approaching, ready for the warm weather!! We had such a great turn out for our first bible study with Eastwood church of Christ, everyone enjoyed the fellowship, and are looking forward for the next one on Sunday march 6th @3:30, please join us we would love to have you. This will be held every first Sunday of the month. We have been busy cutting coupons this month to bring to Elmdale, they collect them for kids to send to those in military service. This month we also celebrated valentines with our loved ones, we had a valentine luncheon and photo booth set up to capture the moment with those we love, Thank you goes out to Barb Allan and Molly Wilhaus for their help with the valentine luncheon, they did a wonderful job. We also had a lot of fun playing a game for valentines called “Aim for the Heart”, we had to throw a ball into buckets that spelled out HEART, we all had a good time playing. For a craft this month we made hearts with bible verse to display on our front doors. This month we also made some homemade ice cream, it was yummy in our tummy, we love ice cream especially when it’s homemade!! Another thing we enjoy is happy hour we really like sherbet and sprite or yummy root beer floats!! We also enjoy playing a game called “Cover that Number” bill was the winner every time!! Before closing, we would like to welcome to our home resident Doris Poltera!! Look forward to spring and all that it brings, until next time God bless.
