April 2016

From the Administrator

As I write this article, our Gift Day dollars are literally, at work. We are blessed with an Environmental Services crew who seem to be able to take on any kind of project, and today they are installing the new wood look floor in the dining room upstairs, and it looks fantastic!

Another exciting project that is in the planning stages that may be implemented by the end of April or first part of May, is a new approach to vending of food on our campus. AVANITI Markets is planning to install a convenience store type of food service in the Bistro. It will feature reach in coolers, which are stocked with meal items, snacks, fruits, and drinks. In addition, retail type wall racks will have hundreds of options of pastry, chips, candy and more. An electronic self-checkout will make it easy for residents, staff and guests to enjoy convenience store style ease. We will be bringing you additional information on this concept in the near future.

Our annual board meeting was held, March 17, and David Schmidt was thanked for his many years of dedicated service to the Pleasant View Home Board of Directors. We are excited to announce that Renetta Kroeker, has accepted a position on our Board of Directors. Renetta has served as a board member in the past, and has a passion for serving the elderly.

Exercise Can Add Years to Your Life by Huffington Post

Working out isn't only about how you'll look in that bikini. Getting - and staying - in shape boosts heart health, helps your skin and improves your sleep, to mention just a few of the healthy perks.

And just last week, we added another motivation to the list, when a new study linked jogging to increased life expectancy. Researchers from the Copenhagen City Heart study found that jogging one to two-and-a-half hours a week in two or three different sessions was associated with an **additional 6.2 years for men and 5.6 years for women.**

The CDC recommends healthy adults get two hours and 30 minutes of moderate-intensity activity (like brisk walking), plus two or more days of strength-training a week.

Jogging isn't the only form of exercise that has been found to add years to your life — and in some instances, it only takes a few minutes of physical activity to make a big difference. Here are six other ways fitness has been linked to increased longevity.

Take the Stairs - In 2008, a small Swiss study found that sedentary people who switched from taking escalators and elevators to taking the stairs cut their risk of dying prematurely by 15 percent. An earlier look at data also found that climbing 35 or more flights of stairs a week significantly increased longevity when compared to people who climbed fewer than 10 stories a week.

Bike... Faster! - Biking to work is a great way to squeeze exercise into your day, spend some time outside and even save on gas money. But a leisurely ride, while it might leave you less sweaty upon arrival at the office, won't do as much for your lifespan as if you really ride it out. A study of Copenhagen cyclists found that men who pedaled the fastest lived more than five years longer than slower cycling men, and the fastest women cyclists lived almost four years longer.

Take a Swim - A study found that men who swam regularly had about a 50 percent smaller risk of dying than sedentary men — but swimmers also had a lower mortality rate than men who walked and ran for their exercise.

Pick up the (Walking) Pace - A 2011 study found that people who naturally walk at a pace of one meter per second, about 2.25 mph, or faster, lived longer than their slower peers. But walking pace might be more of an indicator of longevity rather than a way to increase it, the study's author cautioned. "Your body chooses the walking speed that is best for you, and that is your speed, your health indicator," lead researcher Dr. Stephanie Studenski told MyHealthNews-Daily. "Going out and walking faster does not necessarily mean you will suddenly live longer," she said.

Work Out For 15 Minutes a Day - Some think to get the full benefit of a good workout, you need to be sweating for a full 30 minutes — or longer. But with so many people struggling to find a spare 30 minutes, researchers have begun to investigate if a shorter sweat session could be just as good. A 2011 study found when compared to sedentary people, 15 minutes of daily activity, like brisk walking, added three years to life expectancy, according to Reuters.

Kick It Up a Notch - Walking faster, cycling harder — there's an underlying theme to many of the benefits of exercise: intensity. Overall, vigorous activities seem to have more life-lengthening powers than non-vigorous activities, according to a 1995 study. In fact, intense exercise may double the years added by moderate exercise, according to a 2005 study. Five days a week of walking for 30 minutes led to 1.3 to 1.5 additional years, *The Washington Post* reported, but intense exercise, like running half an hour five days a week, resulted in 3.5 to 3.7 extra years.

April Estates Activities

Greetings and Happy Spring! We are looking forward to Spring and the opportunity to do more things outside and enjoy the lovely weather.

March was a great month, it was wonderful to see many of you participating in our Estates activities. We had a good turnout for our Waffles Breakfast on March 5th. Many residents especially enjoyed the traditional White Sauce which was prepared by Erma Jane Wiens and was the most popular waffles topping of the day.

You may notice that we do not have a special Estates breakfast scheduled for the month of April. Due to scheduling conflicts we aren't going to have one this month and will enjoy many other scheduled events. We hope to continue to have breakfasts in the future as time allows! It has been fun to enjoy Saturday breakfast together.

April brings the MCC Sale in Hutchinson. We are planning to provide a ride for those who need one on Friday afternoon after the 3:00pm Ice Cream social. The MCC sale is on Friday and Saturday. Hope you are getting hungry for some venenika!

The Wednesday Game night special food for April will be a potluck salad supper at 6pm on April 20th. If you wish please bring a salad to share with the group.

At the end of the month, there is a special chapel service scheduled. It will be Chase and Laura Wiens who are serving as missionaries in India. You will not want to miss the opportunity to hear what they have share with us.

Another exciting opportunity awaits us at the end of April, when we will have a special *Hobbies and Crafts Show*. This will take place in the Phase I commons and will be a way for you to share your hobbies or crafts that you have worked on over the years, or special collections that you have gathered. We will have tables set up for you to display your items. This will take place Thursday, April 28 and Friday April 29th. You can bring your items on Thursday morning between 8-9am and we will open the display at 10:00am. We are looking forward to seeing the collections, crafts, or hobbies that are unique and dear to you! Thanks in advance for your participation.

Have a wonderful month of April, and God's blessings to you all!
Until next time,

Despite our surprise Easter snow, I think spring is right around the corner!! Do you or anyone you know need a new fresh start for Spring? Let us help you out and find a new apartment or duplex that you can move into and enjoy! Cleaning out and starting fresh is a great way to make things new. Let me know how I can help you do this.

We will be welcoming several new residents in the spring/early summer. When they move in, please welcome them to our community.

Chaplain's News

It's a few days after Christ's resurrection – the event that we call Easter; and several of the apostles, those bearers of Christ's words and works, are fishing on the Sea of Galilee. They probably left from the port of Capernaum, the village in which some of them lived. They needed food for the stomach; they needed shekels to pay expenses. The risen Savior was nowhere to be seen; life, so it seemed, had returned to the pattern as it was before He had called them – back to the ordinary, to the mundane; but then, as day was breaking, they saw someone on the shore, standing next to a campfire. He beckoned to them to bring their fish to him for a group breakfast; but they had not a fish. "Throw your net on the right side of the boat!" They did; and they hauled in 153 fish! Then, they knew – it was THE LORD. Although not always visible, He was present; He was aware of their whereabouts.

So, here we are in the 21st century, having celebrated another Easter event, with the coloring of eggs, Easter egg hunts, and worshipping the Lord in our favorite church; but now, it's a few days after that wonderful weekend. **Is life any different?** I pray that it be so. May the words of Isaiah sting our hearts: "He was wounded for our transgressions; He was bruised for our iniquities." May the thrill of that Resurrection Morning stay with us, when the angel spoke to the women, "He is not here; for He is risen, as He said. Come; see the place where the Lord lay."

Lord, we believe. We are struck by your death for our sake; we continue to glory in your resurrection; we are very thankful that You are with us! May we, like those first disciples, spread Your Good News to the world around us.

Ministering in the Thursday evening chapel services (6:30 P.M.) will be the following individuals: April 7, Pastor Dennis Ureche; April 14, Pastor Rich Doerkson; April 21, Pastor Charles Kauffmann; and April 28, Chase & Laura Cable, missionaries.

Hello April!!! I'm just going to get this over with and confess right now.. This whole page of pictures is us eating out or eating!! If you want to keep up with the latest places to eat out, PVH is where you want to live!!!!

We truly love going out weekly! We had a really fun time playing Pot O'

Gold dice game for St. Patrick's activities. The table was fun and the competition was great! We enjoy our quieter times on CC too and here Natalie and Amalia find time to do things together. Ivy Grove got a new puppy dog named Elsa that

Eva is just cuddling away with!! This fine group went bowling in McPherson last week and

put up some good scores, it is one of our favorite activities! We had the best time on our Country Cruise this month!! We tried to find the farmer whose 10 young calves were out on the road, but had no luck! We drove for MILES out in the country and then ended up eating in Burrton!!

Please put on your "want to do" list our annual trip to Stutzman's Greenhouse and lunch at Dutch Kitchens! It is April 25 and we WANT families to meet us there or come with us! Unless it is pouring rain...we

go, so please call me or message me, I am excited to hear from you!

The Plaza

Spring is finally here and what beautiful weather we have been having. We celebrated Kenneth Spoonemores, Jonnie Sidebottom, and Sue Dix's birthdays and also Jonnie and Kevin Sidebottoms 29th Wedding Anniversary. We also celebrated Easter with a Holiday Dinner.

Our take out Tuesdays are still a hit so we will be continuing to do those twice a month.

We will be mailing out RSVP letters for our annual trip to the Dutch Kitchen and to Stutzmans Gardens. Please let us know if you will be joining your loved one.

We had to say a heartfelt good-bye to Ceola Tischler as she went to her forever home in Heaven. She will be greatly missed.

We also welcomed Ken Symonds and Paulette Rump to the Plaza Neighborhood. We look forward to getting to know them better. Rachel Neufeld has a birthday in April and we will celebrate her birthday on April 30th.

Here's hoping April Showers bring May flowers. If you would like to eat with your loved ones on

Thursdays or on Sundays please let us know in advance if at all possible so we can plan accordingly.

Heritage Inn

With spring time the flowers are blooming and the birds are signing. And the energy in the Heritage Inn is joining in too. It has been a busy month, with Easter, St. Patrick's day and the good weather we have been having. We have been going outside to get some much needed fresh air. This past month we also made it out to the Cosmosphere for a fun day and to lunch at the Dutch Kitchen. Lori one of our dear friends brought a kitty in and the residents enjoyed playing with him.

And it would not been Easter with out having the Easter bunny stopping in for a visit! The residents sure loved having him around for a bit. We also gave bowling a shot this month a lot of our residents said they had not bowled for a long time so we brushed up on our bowling skills. Gail Graham took the win by bowling a Spare!

Upcoming Events!

We will be going to Stutzman's Green House on April 22nd! This is a big trip for us and would appreciate if any family would like to come with us. We will also be going to lunch at the Dutch Kitchen.

Every year we go out there to buy flowers for our courtyard. It is lots and lots of fun! If anyone would like to go feel free to call or email me!

PLEASANT HILLS

Spring is here!!! April showers, bring May flowers!! We had a lot going on the month of March here at Pleasant Hills, we started off with celebrating Peanut Butter Lovers Day, we all enjoyed some yummy peanut butter bars that Cate our marketing manager made. On the 2nd we celebrated Cat in the Hat Day, I brought some Dr. Seuss books from home to read, who doesn't like a good Dr. Seuss book. We had an outing this month on the 4th to Firehouse Café, we all really enjoyed ourselves and our tummies got very full so when we got back we were too stuffed for lunch so we just had some ice cream sundaes later on. The 8th was international pancake day so of course we had to celebrate by having pancakes, yum!! On the 12th we celebrated soft drink bottle day by playing some coca-cola ring toss, and later on that day we also got to enjoy some therapy dogs here, the AKC Hutch Therapy dogs visited, and we all enjoyed it!! A big thank you to a local oldies group, Fifty Years Late who came out on the 18th, our residents really enjoyed your music. Saturday the 19th we had an indoor Easter egg hunt and dyed some Easter eggs, great fun!! We always enjoy sitting down and working the puzzle or playing games such as farkle, U.N.O, yahtzee et c. We also enjoy on Wednesdays playing balloon bopping, and our happy hour and ice cream socials.
