From the Administrator

Goodness, it is already February.

There are a lot of cool things already on the schedule for February, so please check your neighborhood calendars for details. This month is National Food Service Month, and we will be celebrating in a variety of food related ways, but our recognition of food service will also include staff donations for the food bank and a pot luck fundraiser for cancer research.

The staff have enjoyed getting ready for Super Bowl with a KC Chiefs spirit week, and we hope that by the time this newsletter goes to press, we will know that the Chiefs had a successful outcome.

On a different topic, one of my favorite sayings is, "insurance companies rule the world." My thought behind that comment is that we notice that when it comes to health insurance, if it sounds too good to be true, there is a potential for a big unwelcome surprise down the road. Specifically, we have seen that the Advantage insurance plans, that are promoted by a number of insurance carriers, may have low premiums or some inviting perks. Then, when it comes to a serious medical situation, the insured is often surprised to find that the coverage is limited and there will be some unexpected, sometimes quite large, out of pocket expenses. We have also seen where the insurance company adds complications, such as layers of pre-authorizations as well as a history of claim denials, and this leads to a situation, for some providers, where they have to determine whether they can risk caring for an individual, just because of the insurance that is carried. We know this is complicated for the individual, and we would be glad to help our residents and community members make good choices when it comes to health insurance.

Time got away and we weren't able to officially celebrate Activity Professionals week, but I wanted to make sure and thank the amazing activities staff we have here at Pleasant View Home and let them know how much we appreciate everything they do for our residents. They are constantly coming up with new ways to engage the residents in various activities, and they do their best to enrich the residents' lives. Thank you Lotia, Michaela, Barb, Michele, and Becky for your creative spirit, enthusiasm, energy, and compassion that you display each day and all year long!

Chaplain's News Article

2 Samuel 18:33 NLT

"The king was overcome with emotion. He went up to the room over the gateway and burst into tears; and as he went, he cried, "O my son Absalom! My son, my son Absalom! If only I had died instead of you! O Absalom, my son, my son."

David, king of Israel, grieved over the death, actually, the execution of his son Absalom. Although Absalom was a wicked, ungodly, young man, he nevertheless was David's son, who he loved dearly. Every parent can identify with David's grief. Now, parents, relatives, friends, and the people of America are grieving the loss of one of their heroes – Kobe Bryant, who tragically died, along with eight other people, on Sunday, January 26 in a fiery helicopter crash in the Santa Monica Mountains.

Are there any "take-aways" from this tragedy? Yes, I'd like to suggest three: 1) Let us pray that grieving family members and friends will find comfort from God's Word as declared in the Bible. In doing so, may we realize that these grieving ones will be suffering for months, possibly years; and the truth, as contained in the Bible, is the best means to receive emotional and spiritual healing. 2) Let us refrain from judgment. Kobe Bryant, and those close to him were exceeding wealthy; their lives were/are so different from ours. God, however, doesn't look at the clothes a person wears, nor the vehicle he drives; He considers the heart of the individual. 3) Let us pray that those who grieve much will hear the message of God's grace as revealed through His Son, the Lord Jesus Christ, who said, "God sent His Son into the world, not to judge the world, but to save the world through Him" (John 3:17 NLT).

As chaplain, it is my privilege to engage in conversation with many residents, share Scriptures with them, and pray with them. Many of them hear my devotional thoughts; some even listen to me as I teach the Bible to them; I am thankful for these occasions. The highlight for many is the weekly chapel service, held on Thursday evenings, beginning at 6:30 P.M. Leading the chapel services for February will be: 1) Zion Church of God in Christ Mennonite Church on February 6; 2) Inman Mennonite Church, on February 13; 3) Hoffnungsau Mennonite Church, on February 20; and 4) Bethel Mennonite Church, on February 27. All these services are open to the public. The following have passed on to receive their eternal reward: 1) Michael Keating (Jan. 2); 2) Virgil Clark (Jan. 5); 3) Nancy Janssen (Jan. 10); 4) Maribeth Neufeld (Jan. 12); 5) Ralph Andrus (Jan. 16); 6) Walker Davis (Jan. 19); and 7) Jerald Robinson (Jan. 21).

Cottonwood Corner

Cottonwood ended the month in Kansas City Chiefs style showing support for them in the Super Bowl! BUT we started out our January with some fun times in the Dining Room bringing in the New Year! I captured just a few of the Happy Noon Year poses!! We managed to get to Walmart in between the cold, cold weather on a nice day! That doesn't happen to often. Residents chose to finish off the morning at Rib Crib, and it was delicious as always. A real good concert was in the Chapel with Joshua Lightfoot as our guest Performer. No one was disappointed with his Bluegrass songs and we look forward to him coming back next year. Can you see in the pictures below what Donald is waiting for with a smile on his face? Winona and Patricia were helping to make PB cookies and Donald was first in line to eat a warm one! Kansas Day was also celebrated with our Annual Kansas Quiz Bowl. We had some good competition as we tested our knowledge on our state! In the end, it was down to George and Sheri in a face off and Sheri came out ahead! Give your loved ones a big HUG and KISS for Valentines Day!

HARVEST HOUSE

January

The cold of January couldn't keep us indoors. For our first trip of the month we took off to Wichita. We shopped until we dropped at Hobby Lobby buying décor for our unit. We worked up an appetite and enjoyed lunch at the Cracker Barrel.

For our next trip for the month we went to the Cosmosphere to see the documentary Out of Bounds. The movie displayed the beautiful mountains of Antarctica, California, and Alaska. Olympic snowboarder, Torah Bright took us through her training adventures throughout the movie. After the film we took a trip to Village Inn and finished the day off with their delicious pie.

January has been full of fun outings and quite a few birthdays! We celebrated Frances, Harvey, Ramona, and Mary Lou's birthdays this month. We are looking forward to all that February may bring!
