Letter from the Administrator

And just like that the holidays and 2022 come to a close!

The year was full of ups and downs but mostly it was filled with many meaningful connections and memories for our residents and staff here at PVH. From visiting family and friends coming to spread holiday cheer and warmth of community fellowship in our yearly fundraiser we have much to be grateful for!

We have a lot of fun activities and projects planned for 2023 and we can't wait to share them with our staff, residents, their families, and the community!

We are currently looking for more amazing people to join our work family and help us continue our mission to provide excellent care to the elders of our community, so if you know someone who would make a great addition to our team please have them reach out!

(Above) Staff and Residents share in a good meal of chili, cinnamon rolls, chicken noodle soup, and all the fixings for our annual Gift Day celebration.

Thank you to Paula Miller for all her hard work for putting it all together as she does every year.

2 Timothy 3:16, 17 NIV

All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work.

What requires 4200 pounds of butter, 170,000 pounds of fresh fruits and vegetables, 25,000 pounds of chicken and beef – and 2100 pounds of lobster tails, and 250,000 eggs per week? Answer: a Cruise ship with at least 3,500 passengers.

Why raise the question? Only, to point out that someone – or, several people – had to be responsible to fully equipped the ship for the voyage. It must be fully equipped; otherwise, 3,500 customers will return unhappy, and LIKELY NOT RETURN. And that is money out of the pocket of the cruise company!

Did you know that second only to your relationship to the Lord Jesus Christ, that your knowledge of God's Word as found in the Bible is the most important commodity for the progress of your spiritual life? God has given His Word (here, the "Scripture") to help us navigate life. When you study the two verses of the text above, consider yourself as a little child who needs to be taught, who occasionally needs to be rebuked, who needs to receive daily correction (and sometimes, correction in the course of life), and who needs to receive training in the proper behavior of a God-loving, God-fearing believer and follower of Jesus Christ, the One who challenged us with these words, "If anyone will come after Me, let him deny himself daily, pick up his cross, and follow Me (Luke 9:23).
