## Letter from the Administrator

And just like that summer has come and gone and our Junior Volunteers are back in school! Thank you all for all your hard work over this summer and good luck in the new school year!

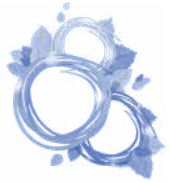

Now that fall is upon us we are a buzz and a flutter like the falling autumn leaves about the various activities and outings planned for our residents.

Just a friendly reminder to our friends and family that FLU/RSV season is upon us so please use proper hand hygiene, drink lots of fluids, get your flu shot, and stay home if you're feeling under the weather!

We look forward to seeing many of you during the upcoming holiday season! Be sure to keep an eye on our Facebook to stay in the know about upcoming events including this year's annual Gift Day celebration on November 9th!

*(Above) Many of our residents took a trip to the Kansas State Fair to take in the food, animals, and talent that our great state has to offer! A special thank you to our Social Worker Alysson and our SSD/AD's for all their hard work in organizing these outings for our residents to enjoy!*

| 11/7 - Paul Funk        | 12/29 - Jerome Unruh          |
| 11/8 - Eva Judd         |                               |

# Happy Birthday!!!

*(Above) Though we are experiencing the first cool mornings of spring, our morning walking club has not been detoured from getting out and getting some fresh air and exercise!*

### *Philippians 1:12, 13 NIV*

*Now I want you to know, brothers, that what has happened to me has really served to advance the gospel. As a result, it has become clear throughout the whole palace guard and to everyone else that I am in chains for Christ.*

Not the way I planned it. Several years ago, my wife and I returned by air to Eisenhower Airport in Wichita. After arriving to our car, we proceeded to drive onto Ridge Road, ready to cross over I-235 when suddenly the left front tire came off, went bounding across the highway, and narrowly missed an oncoming vehicle. I immediately thanked God for that miss! Oh, we got back to our home in Hutchinson – by a tow truck. Not the way we planned it.

For years, the apostle Paul wanted to proclaim the gospel in Rome, capital city of the great Empire, and also meet the saints there, and teach them, as he said, “impart to you some spiritual gift to make you strong” (Romans 1:11). So now, writing to the Philippians some years later, he had arrived, but not the way he had planned it. He came chained to a Roman soldier; and he would spend at least two years there as a prisoner. But neither Rome nor circumstances could “chain” his mouth. He used the occasion to proclaim the gospel. Read carefully what he wrote, “It has become clear throughout the whole palace guard and to everyone else that I am in chains for Christ” (Phil. 1:13). Moreover, “because of [his] chains, most of the brothers in the Lord have been encouraged to speak the Word of God more courageously and fearlessly” (Phil. 1:14).

Are you discouraged because of your circumstances? Talk to the Lord Jesus Christ about your feelings; and ask Him to use your situation to bring glory to His name. Ask Him to help you to witness the Gospel to your friends and neighbors.

**Above: We would like to give a big warm PVH welcome to our new Director of Nursing, Lorie!**

**Lori is a Wyoming native but has called the open plains of Kansas her home for the last 25 years. She has an amazing husband and 3 children ranging in ages from 30 to 9. She has been a nurse for the last 20+ years, including 12 years collectively in long term care! When she's not helping our staff and residents around the facility, she can be found cheering for her favorite football team, the Denver Broncos. Welcome to the PVH family Lorie!**

### Resident Rights

- \* Right to receive appropriate Social Services including but not limited to:
  - Counseling
  - Assistance solving problems with other residents
  - Assistance with contacting legal and financial professionals
  - Assistance with coordination of care with physicians, dental care, podiatry, vision & hearing services and any other referral services needed for life enhancement and achieving highest practicable level of functioning
